The building stage.

In The Beginning . . .

Years of planning and months of construction went into making the dream of Cajon High School a reality. When it was first opened in 1969, it was named San Bernardino North. But the following year it was re-opened as Cajon. The student body selected the Cowboy as its mascot, and the combination of green and gold for the school colors. Problems were many for the new high school, but spirits were high among the students as well as the faculty; Cajon soon showed promise of becoming the district's finest high school.

An aerial view of Cajon's campus at the end of a decade.

Ten Years Later

It has been ten years of growth and determination, since the opening of Cajon High School. Despite experiencing the growing pains inevitable for a new school, Cajon overcame many difficulties to establish a firm standing in the community. Having three CIF titles to date and numerous individual academic achievements to its credit, Cajon has a reputation of excellence both athletically and academically. The coming years are sure to bring more triumph and honor to Cajon.

Fine Arts

Grace and Beauty Come From Discipline

Carrie Sue Bryan and Gina Bee are not only in touch with the fads of today, such as disco and rock, but are also among those who express their emotions through the medium of classical art.

Since she began playing the piano at the age of three, and from her first recital at the age of four, sophomore Gina Bee has seemed destined to become a renowned performer of classical music. At the age ten Gina became the youngest artist to perform with the San Bernardino Symphony. By age eleven Gina was chosen as the youngest of seventeen of the world's most advanced piano students to perform during a "Master Class" conducted at Duke University in North Carolina. The performances Gina has given have not been to live audiences. She has appeared in the CBS television series "Phyllis" starring "Cloris Leachman" and given four performances in California for the "Musical Encounters" program. At present Gina is enrolled in the USC school of performing arts and studies privately with the internationally renowned pianist Daniel Pollack. Gina's motive for her practice and sacrifice is that some day she will become a concert pianist and attend the Moscow Bach Competition.

Many people study dance as a hobby, but senior Carrie Sue Bryan has not only studied the art of ballet since the age of six, she has also developed her skills and her mind until her dream of becoming a performer shows immense potential in becoming real. The companies she has been in are many, such as the Riverside City Ballet (Peter Rabbit from the tales of Beatrix Potter), and with the Civic Light Opera in the Nutcracker which was her most memorable performance. She played the role of the Sugar Plum Fairy. Though she has studied other forms of dance, Carrie Sue is currently studying the Italian method (Cechetti) of ballet and has passed an examination as "Highly Commendable". Another method, the English or Royal Academy method, is also an accomplishment of Carrie Sue's. She has passed three exams with honors as "Highly Commendable". Carrie is not only a student and observer of ballet, but also a teacher of beginning and intermediate dance.

Scuba Diving

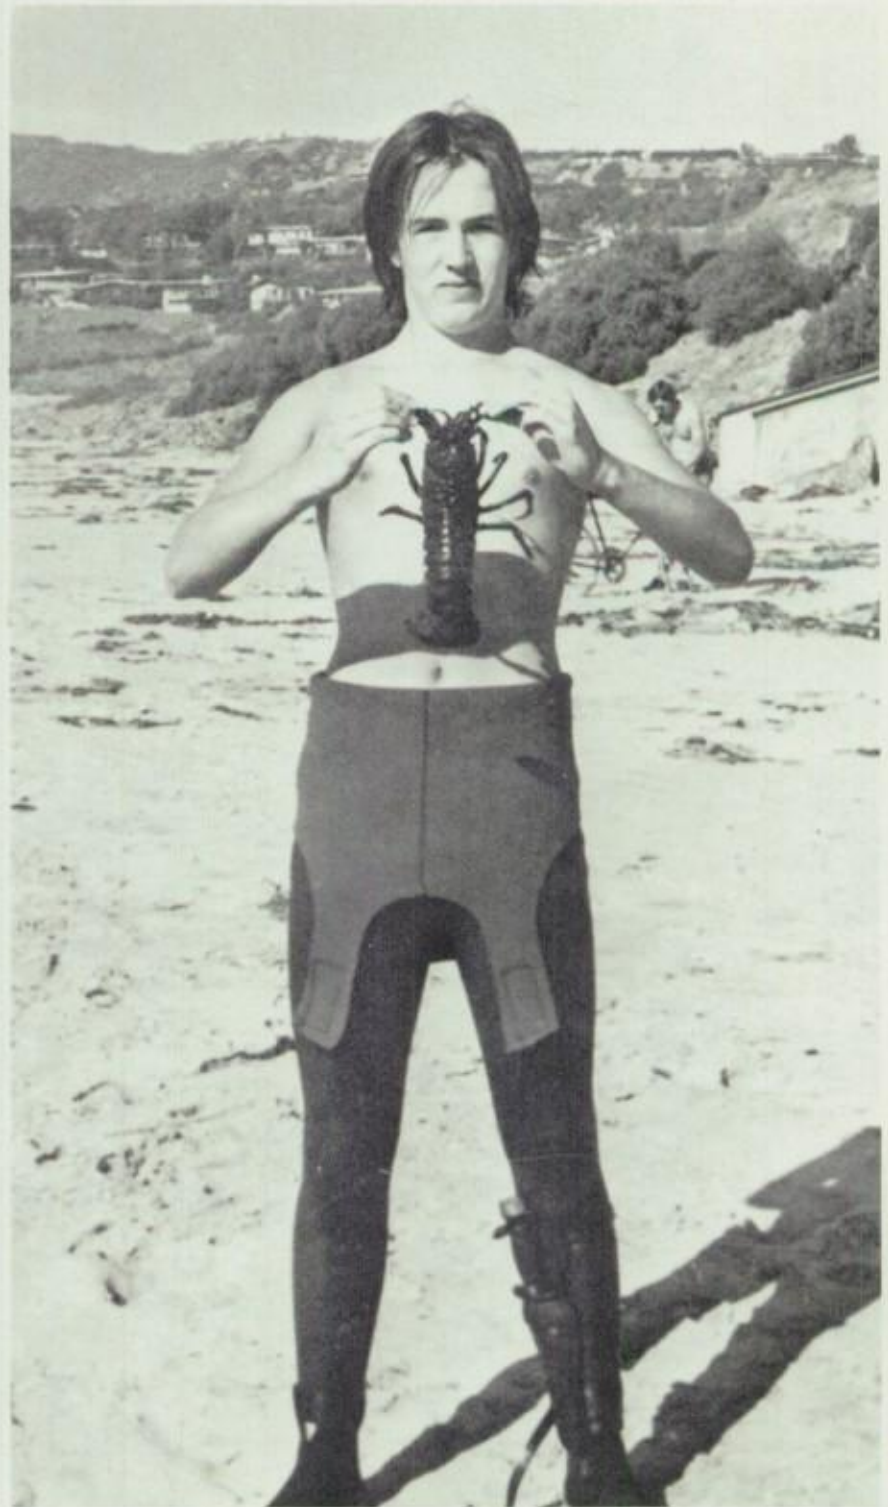

An Underwater World Offers Challenges

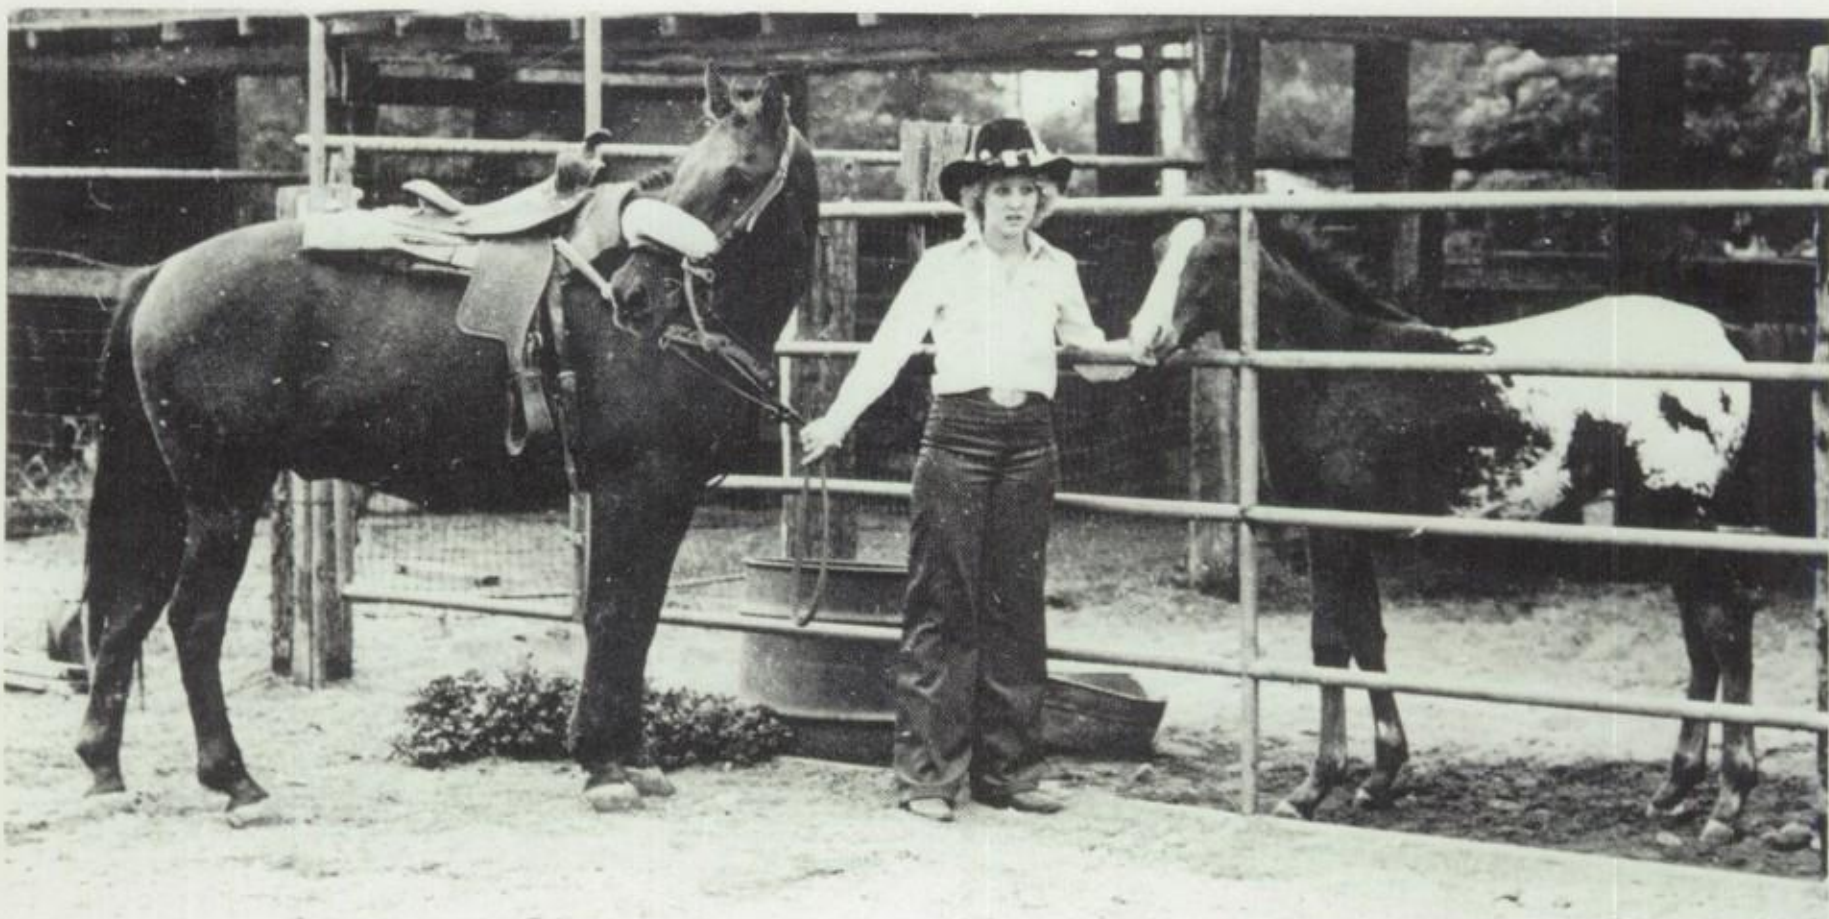

Eric Eatherly, a sophomore, is one of many avid scuba-divers at Cajon. In order to dive, Eric must have not only proficient swimming skills, but also strength, common sense, and a certain amount of bravery. Though only one year has passed since Eric began diving, he has earned the certification of a "Basic Diver" awarded by the state. He is able to perform many skills required of the advanced diver, and has explored the waters of Laguna and La Jolla beaches, the Bay of Los Angeles and La Bufadora in Mexico as well as many coves of Baja California and the Channel Islands.

The non competitive nature of scuba-diving does not allow for the winning of medals or awards. One's only expression of progress is his personal satisfaction and a State Certificate of Achievement commending him for his level of accomplishment. Eric is enthusiastic about his personal goals in scuba-diving. He intends to specialize in underwater photography and to extend his knowledge of the sport until earning the certification of an instructor.

According to Eric, "What most people do not realize about diving is that sharks are not a diver's main fear, but the destruction of an underwater world by uncaring or unknowing people is."

Rodeo

Jenny Proch Wins In Racing Or Roping

Junior Jenny Proch somehow finds time from her hectic schedule of studies, cheerleading, and other activities to compete in at least two rodeos a month. Having competed in rodeos since she was eight years old, Jenny is presently a member of the Junior Rodeo Association as well as the vice-president of the Cajon chapter of FFA.

Jenny, riding in the senior division for ages 14 to 18, competes in many events including ribbon roping, goat-tying, and the barrel race which is her favorite. She has won numerous awards for her ability in each event but she primarily places best in the goat-tying competition. Jenny is the most proud of her second place senior goat-tying title at the Norco Rodeo last summer and of her fourth place win in the same event at the yearly finals held last October.

Jenny, who skated competitively for four years, says she prefers rodeo to any other sport because it is a rather "unusual sport where the competition is tough and I can be proud of my accomplishments." She also feels that to be a good rodeo rider, one must have a lot of patience and dedication to master the teamwork needed between the rider and the horse.

Jenny goes on to say that she would like to turn professional next year and then continue in rodeo for many more years not only because she enjoys it as a sport, but also because it allows her the opportunity to "meet alot of different people from which one can really learn alot about life."

Future Farmers Raising Show Animals Brings Many Awards

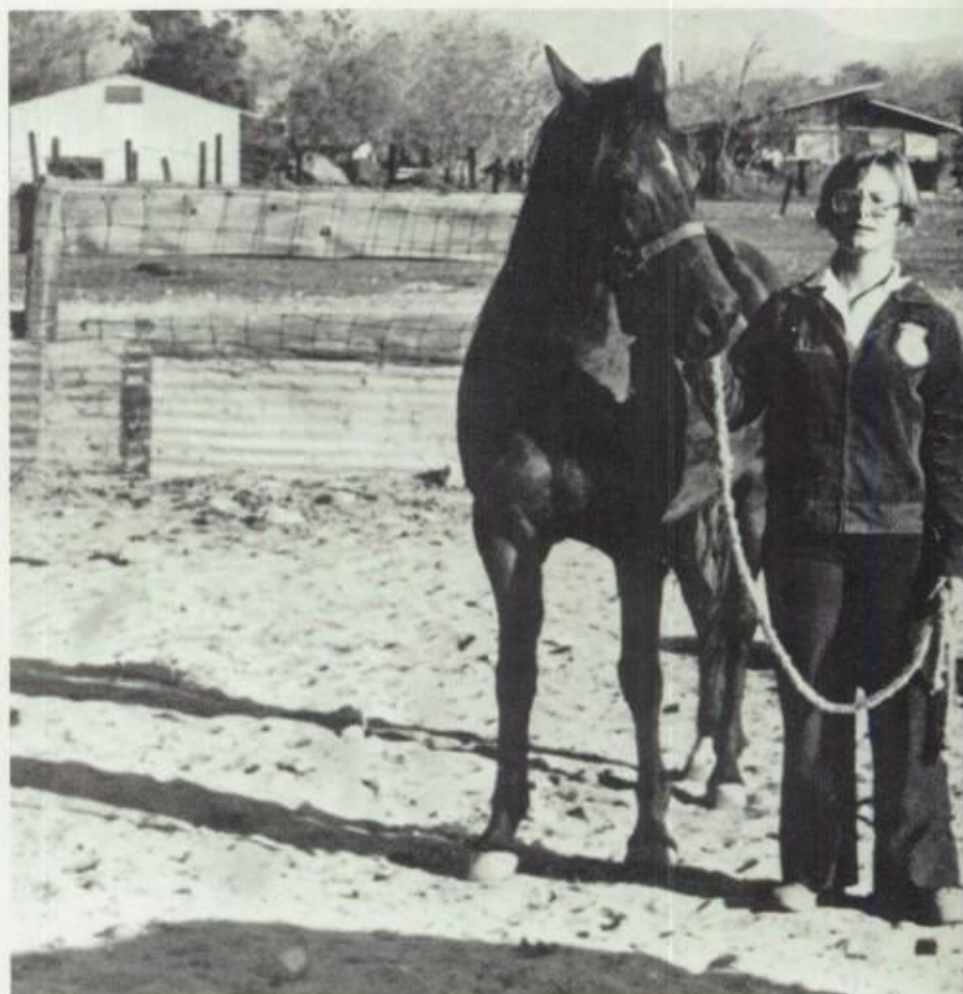

There are many students at Cajon who have hobbies in which they actively participate and enjoy. And then there are those students who have hobbies that bring them recognition and awards. Two such students are seniors Sarah Burton and Toni Gott.

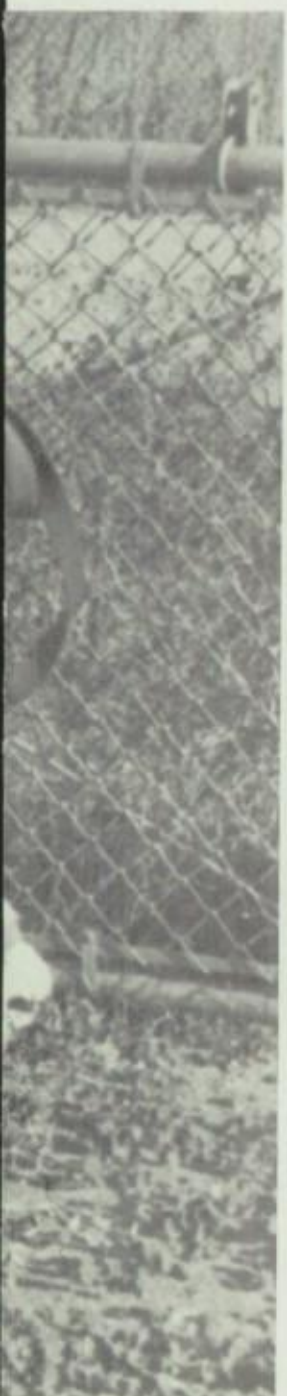

Sarah and Toni are both extremely interested in animals and the raising and showing of them. Both girls are active members of the Cajon chapter of FFA of which Toni is president and Sarah, formerly holding the office of secretary and president, now holds the office of sectional president for entire San Bernardino County.

Toni has been showing steers and swine for the past four years at fairs throughout Southern California. She is most proud of her steer that won the first place market class showing at last year's Orange Show. But her favorite event is showmanship where she is judged as well as the animal. "In the showmanship class," says Toni, "The competition is tough, but I surprise myself by usually placing."

Sarah has been raising animals since she became involved in 4-H in the eighth grade. Sarah raises steers, lambs, swine, and goats, which are her favorite. Sarah has the honor of saying she has placed in every competition she has ever entered. But the two awards she treasures the most are the awards for her seventh place livestock judging at the L.A. County Fair and her Reserved Grand Champion Market Hog at the 1979 Orange Show.

Both Sarah and Toni receive much encouragement and support from their families in their hobby, and each intend to follow a study of animal husbandry in college.

Gymnastics and Baton Twirling Dedication, Hard Work Bring Great Rewards

Three Cajon students have proven that dedication, determination, desire, and plenty of hard work are the basis of success. Senior LuCinda Giannotti, her sister Crystal, a sophomore, and Julie Collins, also a sophomore, have proven that they are indeed successes. LuCinda and Crystal are champion baton twirlers, while Julie is an award-winning gymnast.

LuCinda began twirling at the age of eight and Crystal at the age of seven. They studied for many years in a baton corp before finally going solo. Both are currently twirling with the Cajon Cowboy Marching Band and have placed in every competition they have entered with the band this year. According to LuCinda, a twirler is judged on poise, grace, the difficulty of the routine, the variety of the moves, the speed at which one twirls, and most importantly, the personality projection presented by the twirler. It is this projection of the twirler's own personality that can make the difference between a good score and a first place. Obviously LuCinda and Crystal project a lot of personality as proven by their record. Both have earned many awards, trophies and ribbons. In addition, Crystal has placed second in the American League State, and is vying for the State title, while LuCinda has previously won the coveted title of NBTA Western Regional Parade Majoretting Champion.

Julie Collin's record shows that she is also a champion. Besides the many awards she has won, this year Julie received the title of State Gymnast Champion. But this is only the beginning for a girl who wishes to follow the tradition of Nadia and Olga. But to do so means a lot of hard work, long hours, and dedication to her sport. Julie, when competing as a Class 2 gymnast, must perform eight required routines and participate in four events, but she must also give that little extra something to her routine: that special flair that marks the performance of a champion. It is that extra something that will continue to lead Julie on to more first place titles.

Whether it be baton twirling or gymnastics, success results from the dedication of the performers. LuCinda, Crystal, and Julie all practice for many hours a week and each sometimes find it hard to find time for both school and practice. But all three have managed it successfully and have worked their ways to the top by dedicating themselves to the goal of being the very best.

Class Of 1980

I realize I have given four years of my life to high school, yet in return I have received a lifetime of memories—football games, pep rallies, dances, final exams, teachers, graduation, and most important wonderful friendships. All of these are memories that will burn brightly throughout the years to come—a shining tribute to those years of magic.

Radio-Control Airplanes Dreams Are Realized With Graceful Planes

While some drift on the wind beneath a hang-glider or parachute, others fly with their feet on the ground. Seniors Denny Doyle and Scott Workman have been flying radio-controlled model airplanes for over four years. Combined, they have close to 1000 hours flight time in various types of R/C aircraft.

Because Denny and Scott are extremely interested in aviation, this hobby allows them the freedom of experimentation and contemplation. It was their love of flying that led these two adventurers to discover this unique hobby. Each began on smaller, less expensive planes; and as they became more experienced, they advanced to bigger, more sophisticated aircraft such as the *Phoenix 7* and the *Dirty Birdy*. Besides the engine-powered planes, Scott and Denny also fly a variety of gliders such as the *Silent Soar* and the *Windrifter*.

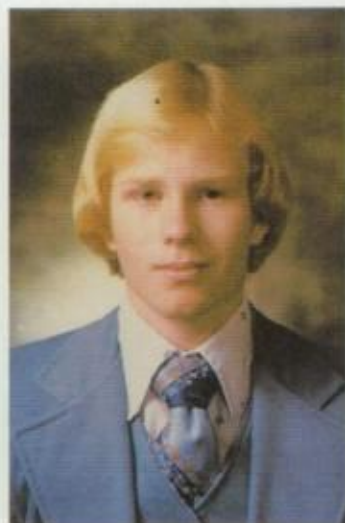

Flying R/C planes requires skill and technical know-how. "A good flyer must know everything about his plane and how to handle it," says Denny. Scott, who has been interested in aviation for many years and who finds himself flying every chance he gets, feels that flying R/C aircraft, "gives you an excellent start in learning the fundamentals of aeronautics."

Scott and Denny agree that flying radio-controlled planes is an expensive hobby, but both believe that it is worth it. Each feels that this is a hobby that they will enjoy throughout their lives. They will continue advancing to more sophisticated aircraft which hold more of a challenge for these two unique flyers.

Skydiving

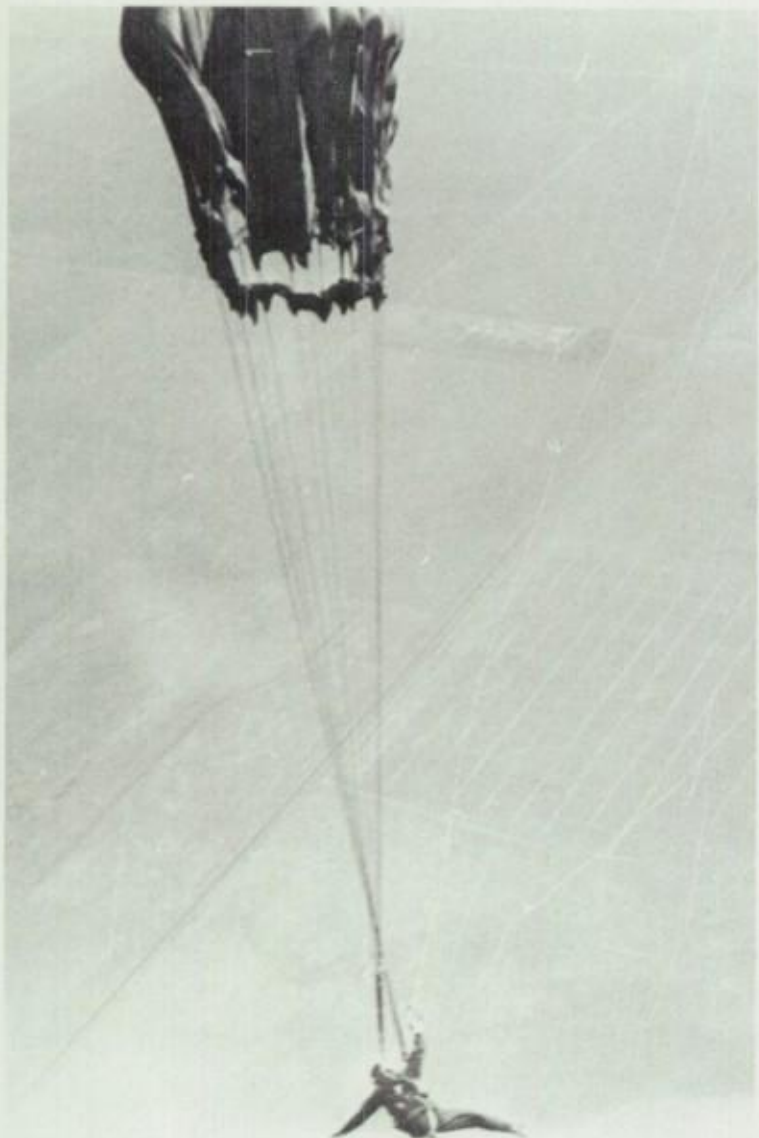

Glory And Freedom Reasons For Jumping

It takes a very unique person to be a skydiver. Not many people have the courage or the nerve to step out of an airplane into nothingness. But there is one such individual at Cajon. Don Walker has been skydiving for over a year. When asked why he does it, Don will answer that diving gives him a feeling of independence and excitement.

Don insists that there is a lot more to skydiving than just jumping out of a plane. There is a lot of other things involved. A skydiver must be acquainted with numerous things such as emergency equipment, knowledge of all the equipment, correct landing procedures, and various other details that are essential for safety. All of these skills must be mastered before obtaining a class A license issued by the United States Parachute Association. To obtain such a license, one must also have a minimum of thirty jumps.

Contrary to what some people might think, Don feels that skydiving is perfectly safe as long as all safety precautions are taken. He enjoys skydiving immensely and states, "It's not like riding a roller-coaster; the mood is different. You are all alone with peace and quiet. It's a feeling of complete independence and nothingness."

Motocross

Danger, Excitement Attract Competitors

Motocross is an exciting and sometimes dangerous sport that requires talent, skill, practice, and raw nerve. Sophomore Scott Manning and seniors Tim May and Wayne Yarnall are among the dozen or so students at Cajon who regularly compete. All three riders began riding motocross for the fun of the sport more than three years ago, but now each would like to make a career out of the sport.

Scott, who recently turned professional, races a 125cc bike, while Tim races on a 250cc. Both are currently racing in the Golden State Series, while Wayne primarily races locally on a 125cc bike. All three agree that the sport of motocross is a demanding and time-consuming sport. "The competition is extremely tough," says Tim, "But to me, winning is everything. A second place is nice but to me a first place is what I strive for when I race."

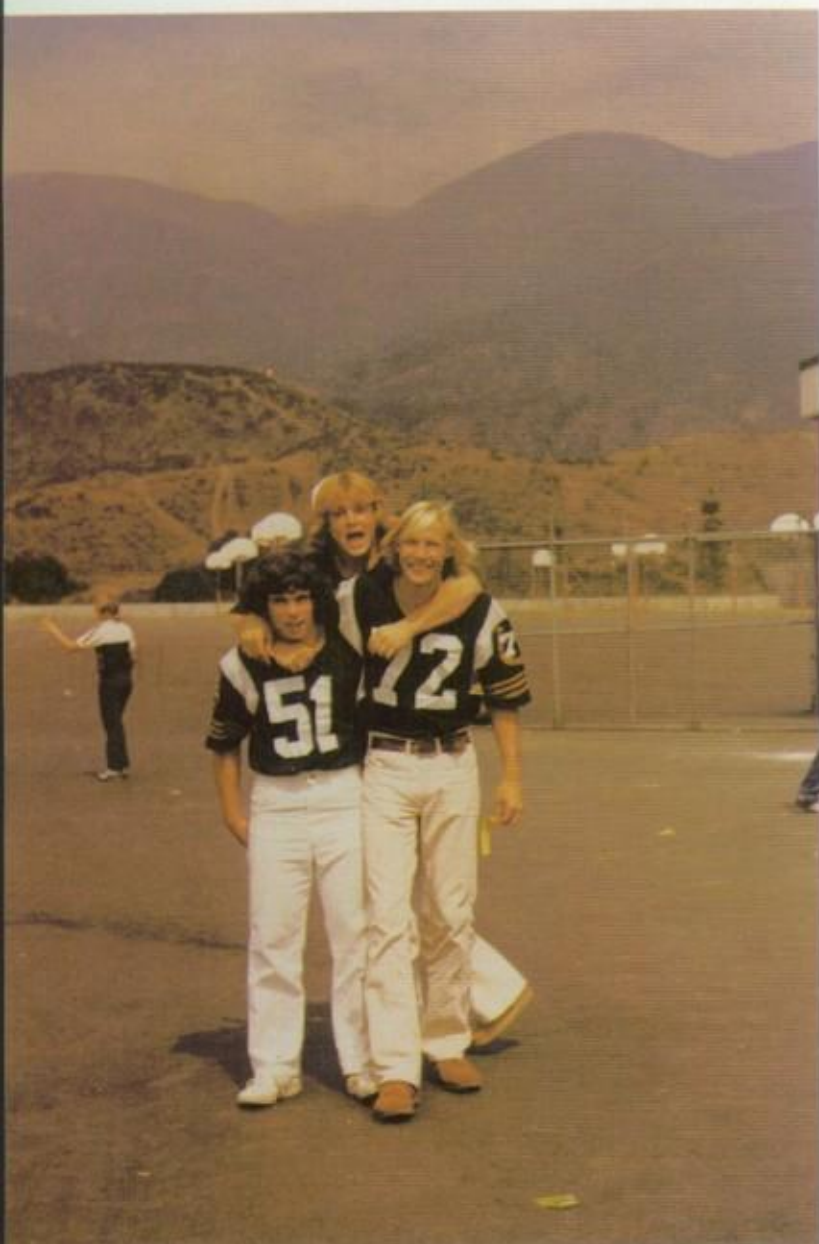

Many skills are needed to win in racing motocross. "Good timing and good balance are essential to be a good rider," says Wayne. According to Wayne, "Winning depends on about seventy percent of the rider's ability, twenty percent on the quality of the bike, and ten percent on just pure luck!"

Motocross is a very expensive sport to participate in. "I spent over \$3,000 this past year alone," states Scott. "But I've been reimbursed somewhat by my prize winnings. Since I've been racing professionally, I've won over \$800. The top riders collect purses over \$5,000. I hope some day to be one of the best."

Despite the stiff competition, the enormous pressure, and the physical stamina involved, all three riders see themselves riding, racing, and winning for many years to come. Perhaps Tim sums it up best when he says: "Motocross is the most exciting and gratifying sport I know. There's just nothing else like it."

Awards And Honors

Since the purpose of school is an education, the recognition of academic students is very important. Cajon bestows academic awards and honors on those students who excel scholastically. These awards recognize a standard of excellence for the entire school.

Martha Harrett, scholarship counselor

Four Vie For Bank Of America Honors.

Four seniors represented Cajon in this year's Bank of America Scholarship program. Twenty students were nominated by teachers of different areas and then screened, according to grade point average and the stipulation that thirty units of work be completed in the given area. The Bank of

America selection committee, which was composed of teachers from different departments, finally chose Kevin Watkins, Candace Hewitt, Erika Peters, and Rhonda Beckwith to represent Cajon in the areas of Fine Arts, Liberal Arts, Math/Science, and Vocational Arts.

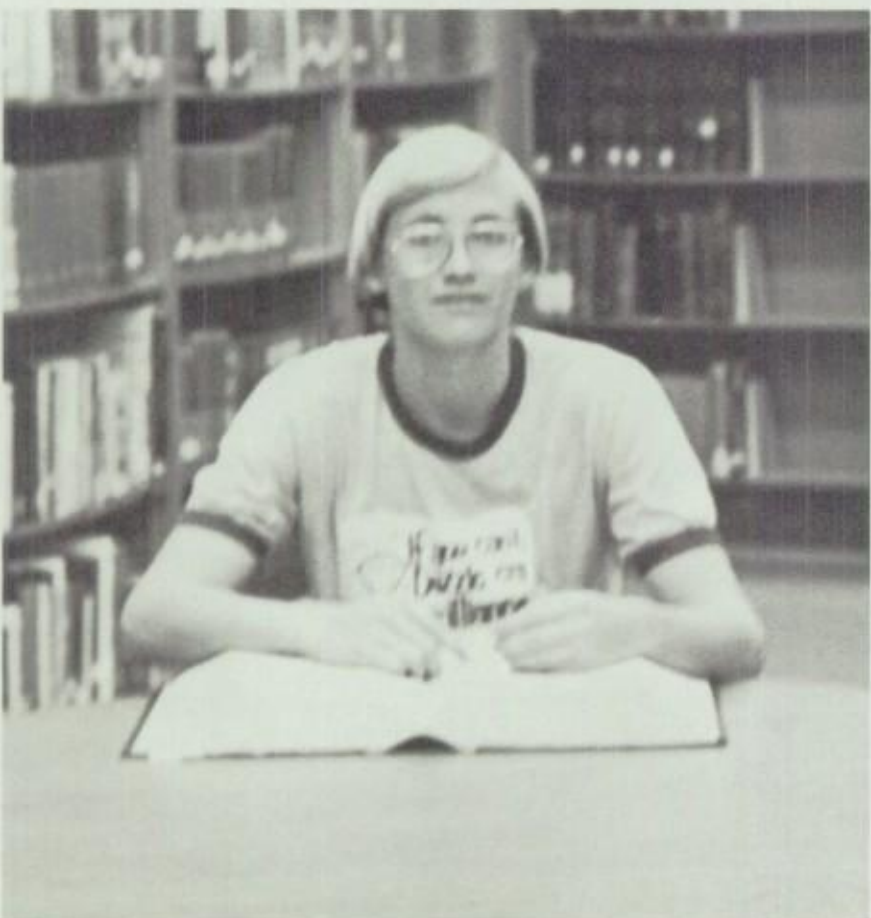

NCTE Representatives From Cajon Are Selected

Four juniors will be representing Cajon in this years National Council Teachers of English scholarship compotion. Robin Bencie, Mark Cundy, Michelle Oliver, and Brian Krueper were selected by Mrs. Joann Mercer for their knowledge of literature, ability to write, and their skills in writing under pressure.

The N.C.T.E. competition was begun by English teachers wishing to commend students who made great achievements in their knowledge and use of the English language.

N.C.T.E. is a prestigious contest that allows its winners to be considered by every major college or university for admission without further testing.

In past years Cajon has had winners represent our school. Kim Overton, Patricia Reyes, and Bruce Krueper all received national recognition as N.C.T.E. winners.

Students competing in the N.C.T.E. competition are, from the top, Robin Bencie, Mark Cundy, Michelle Oliver, and Brian Krueper.

Kevin, Brian Watkins Win Honors In Music

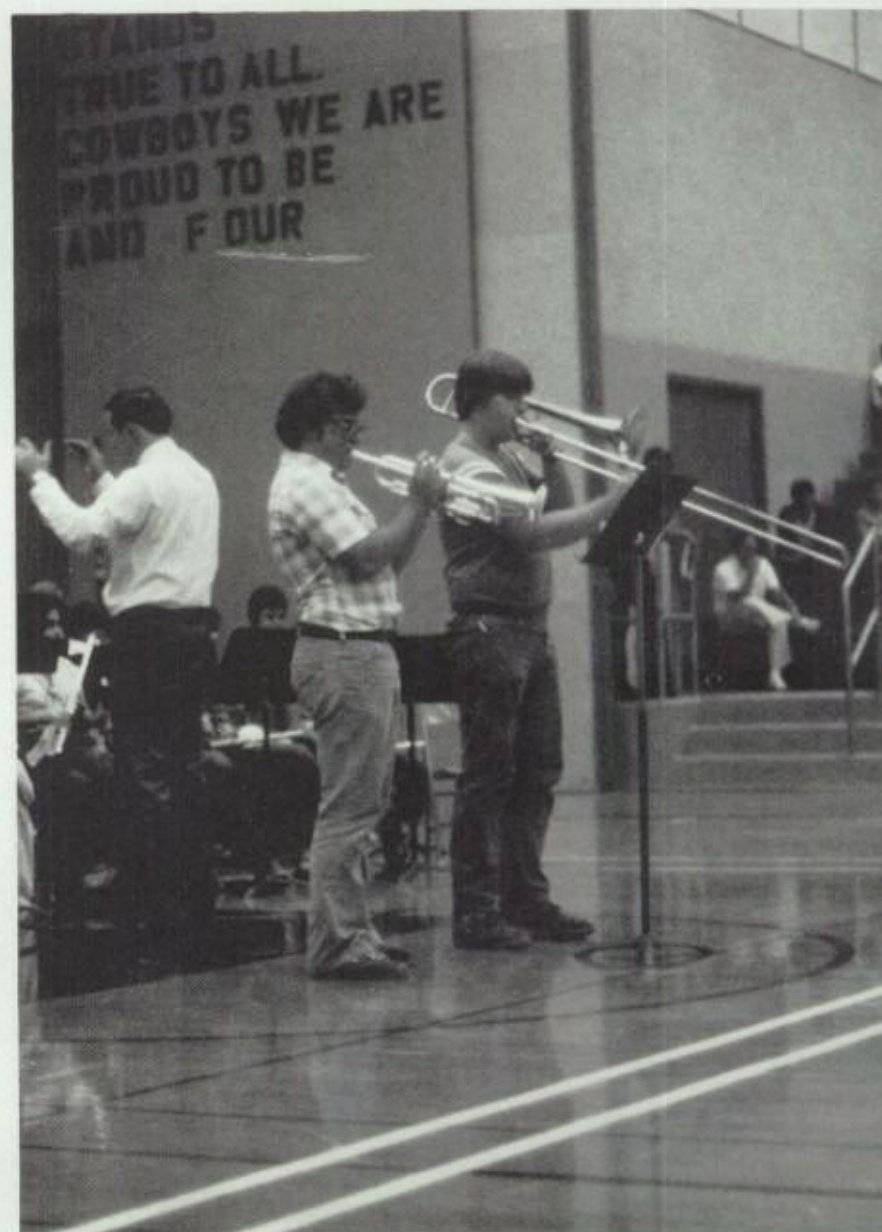

Across Cajon's campus one may encounter many gifted students. Two such artists are Seniors Kevin and Brian Watkins, both inspiring musicians who were nominated to represent our area for McDonald's National High School Band.

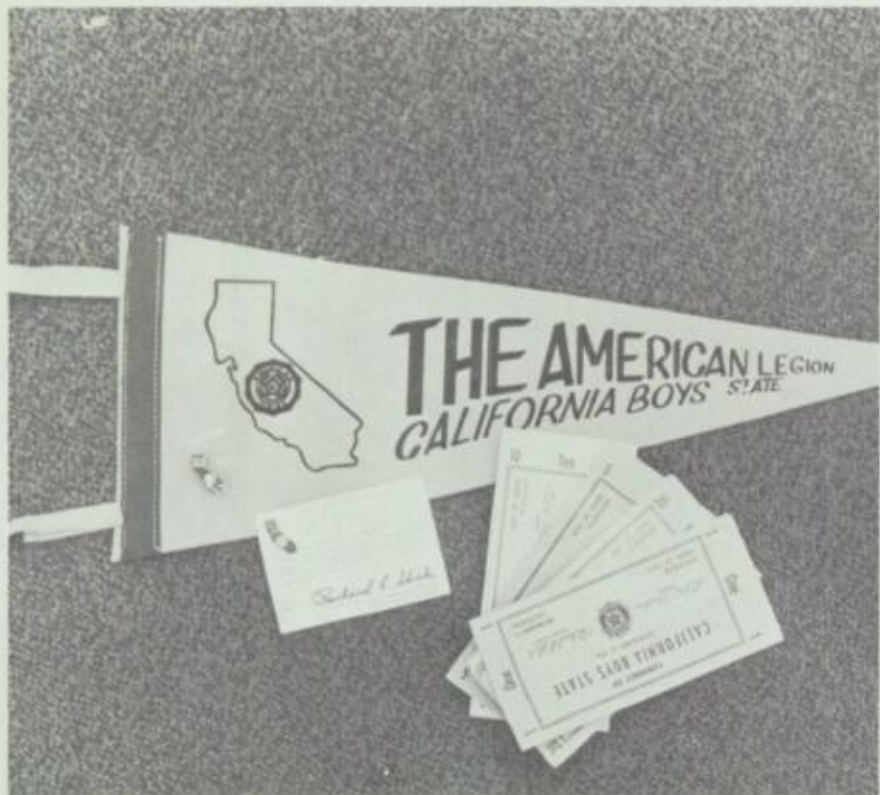

Seven years of practice have earned Kevin the honor of playing his trumpet for such prestigious organizations as the All Southern Honor Band, the All Southern Jazz Band (lead Trumpet), and first chair trumpet for the Cal State University of Los Angeles Honor Band.

Brian, who has played the trombone for six years, is together with Kevin, a member of the All County Honor Band, the All County Jazz Band, the Cal Poly Honor Jazz Band, and the Redlands University Wind Ensemble. Both Kevin and Brian have received Superior ratings at Solo and Ensemble Festivals for the last four years.

Brian and Kevin pose with Mr. John Parisi, Manager of the 40th Street McDonald's, after he had awarded them during a special assembly. The Watkins brothers show their style for the student body.

Students Receive State Recognition

Cajon Seniors Scott Workman, Bill Cannon, and Rick Browning (pictured below) were awarded the honor of attending a week long annual conference sponsored by the American Legion last summer.

After being recommended by the school to the American Legion, Scott, Bill, and Rick were chosen by interview, their academics, leadership capabilities, and social activities to represent our city at the conference.

For the students, all expenses of attending the conference at Sacramento State University were paid. In sponsoring such an event, the American Legion hopes to teach responsible students more about the city, state, and county levels of American Government.

This year Student Council provided students with a direct look at occupational and educational options at Career Day 1980. Darwin Byrd organized this successful day with the tremendous help of Sarah Burton, Bill Cannon, Don Camp, and Joann Farrington. Colleges, trade schools, public services, youth groups, and the armed forces all participated in Career Day in an attempt to help students plan for their future. Also, Student Council planned for students to be entertained during lunch by the outstanding Navy Band. They played many of the latest hits of this year and several hits of the 1950's. Student Council's efforts were worthwhile.

Football Homecoming Flash From The Past - '20s

This year's Homecoming left many treasured memories for Cajon students. The Cowboys played a great game, beating the Moreno Valley Vikings 14 to 6. The suspense during half-time drew to a climax when Melissa Love became the 1979 Homecoming Queen and the junior class won the float competition.

Melissa's court was Sherrie Lewis, senior princess; Natalie Anderson, junior darling; Sherron Reed, sophomore sweetheart; and Marcy Anderson, freshman fancy. Accompanying the announcement of the Homecoming court was Cajon's own band, playing music to fit the excited mood of the candidates and winners.

All of the classes put many hours of effort and determination into their floats, but judges selected the junior float ahead of the senior float. The floats were designed in relationship to the Homecoming theme "A Flash from the Past-The '20." Each class used their imagination to decorate their float with things they felt best represented the 1920's.

Student Council provided the Cowboys with a great dance. KGGI supplied the music, ending Homecoming with cherished memories.

This year's winning float was produced by the mighty Junior Class. Juniors received recognition for the fantastic work done on their float, with the presentation of the trophy. Couples slow dance to Styx's newest song, "Babe." Mark one more victory for the Cajon Cowboys. This year's Homecoming Queen, Melissa Love receives the royal sash from Liane Pestrella, the 1978 Homecoming Queen. "My Sharona" sets the beat for couples to dance to.

Bands And D.J.'s Play Top Hits Of The Year

At Cajon, dances are a special part of the school year, and this year is no exception. This year there were five dances; two of which had D.J.'s and three which had live bands performing. Under the leadership of Commissioner of Activities, LuCinda Giannotti, each dance had an original theme with special decorations. The top hits of the year in rock, disco, and soul were played at the dances. The dances of the year were the Back to School Dance, Football Homecoming, Christmas Dance, Basketball Homecoming, and the Luau.

Kirk Dalke shows some fancy dancing at the Christmas Dance. Gretchen Fair and Ricky Sams boogie to the beat of Michael Jackson. Christine Pestrella and Kirk Dalke dance to music provided by 'Paradox.' Santa Claus listens to the Christmas wishes of one Cajon student. Melissa Love and Mike Veleker stop to socialize with friends during a break at the Basketball Homecoming Dance. A tender moment to remember for two Cajon students. A couple dances to a disco beat. Cindy Munkittrick and John Yesensky have differing opinions about whether they should dance or not.

Homecoming Theme: "A Touch Of Magic"

This year's Basketball Homecoming had just "A touch of magic," but it was enough to make it a very memorable evening. Even though the Moreno Valley Vikings defeated Cajon 46 to 60, the Cowboys were not defeated in spirit. At half-time Sara Lamb was named this year's homecoming queen. Sara's court was Rhonda Beckwith, first princess; LuCinda Giannotti, second princess; and Jody Garner, third princess. After the game, Groove Time provided a disco dance to add the final "touch of magic" for the evening.

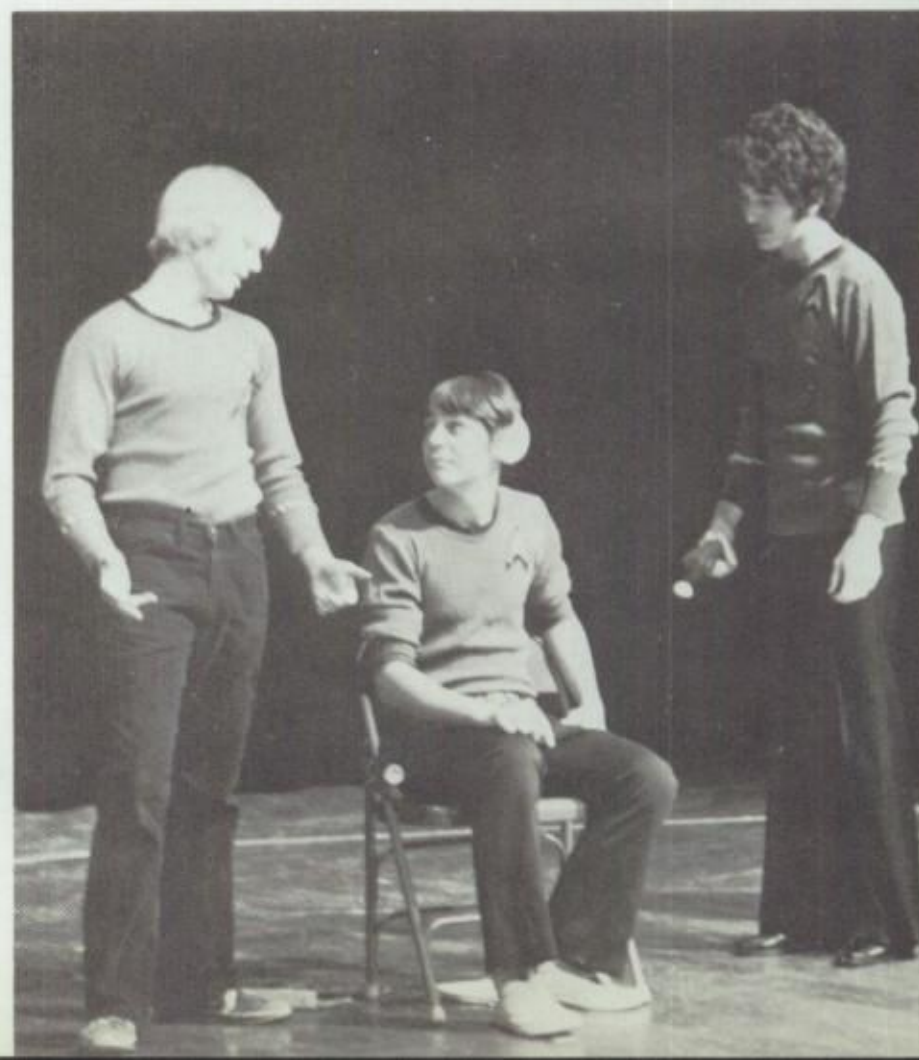

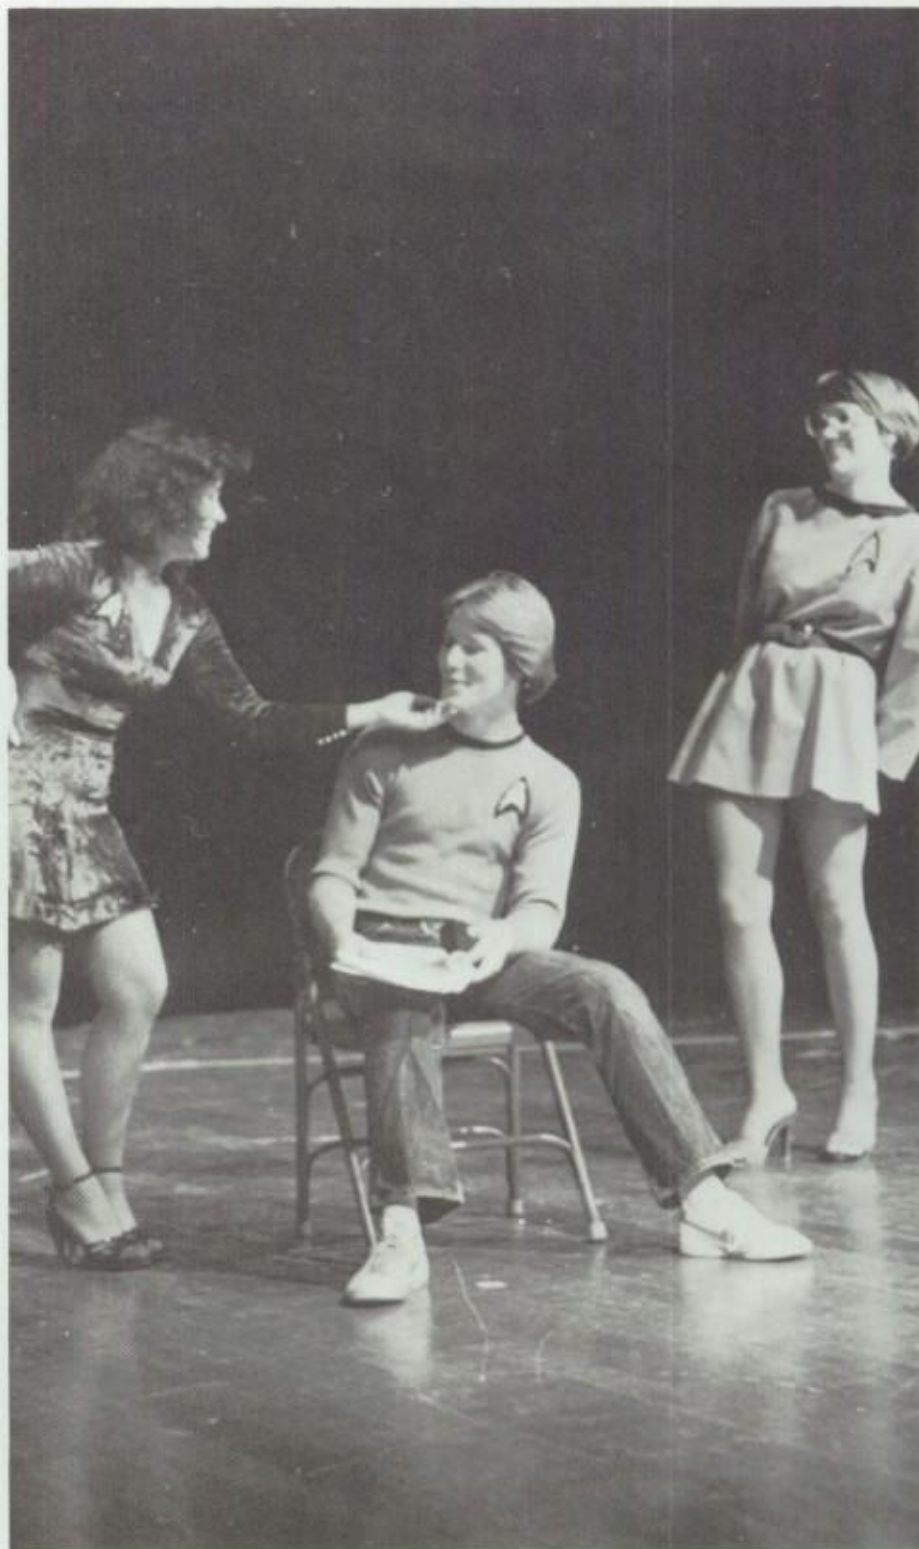

This year's Homecoming Queen, Sara Lamb, and her escort Mark Yzaguirre take their victory walk. Cajon Cowboy Dale Waggoner jumps for the ball. The 1980 Homecoming Court is Jody Garner, third princess; Rhonda Beckwith, first princess; Sara Lamb, queen; and LuCinda Giannotti, second princess. The Basketball Homecoming Queen and her escort dance the night away. Candidates and their escorts patiently await for half-time.

Drama Department Strives For Excellence

This year's Drama Department strove for excellence in acting, props, make-up, sound, and lighting. Under the direction of Mrs. Jane Pleas, the Drama Department had a very successful year. The major production this year, directed by Robin McClellen, was a take off of the motion picture, Star Trek. The leading characters were Pete Peterson as Kirk, Robert McConnaha as Spock, David Pavao as Dr. McCoy, Joao Vargas as Chekov, Rodney Johnson as Sulu, and Kathy Nueppert as Uhuru.

The writers, Dru Dixon and Arron Brady, and the director Robin McClellen, gather to discuss the changes in the script. Crew members, Cindy Graves and Zann Wildman, flatter, Captain Kirk, David Heater. Crew members ask the advice of Mr. Spock, played by Robert McConnaha.

Drama member, Shelly Penrose, participates in behind the scene activities by applying make-up to Joao Vargas. Scott Boyer contributes to the play by constructing stage scenery. A Moment Now, A Memory Forever

This year's Junior-Senior prom was held at the Palm Springs Hilton Riviera on May 23. The theme for this special evening was "A Moment Now, A Memory Forever." Upon entering the hotel, couples were surrounded by elegance. The lobby was richly furnished with French furniture and chandeliers. Within the Mediterranean Room, flowers, plants, and archways added a special touch to the room. Couples enjoyed a delicious dinner, followed by enjoyable dancing music.

All year long, Junior Class members worked hard to earn money to make this year's prom a success. Leading the Junior Class along the way were class officers David Pavao, Kelly Perong, Shelley Stewart, and James Jenkins. The efforts of the Junior Class were well worth while because those had attended had an unforgettable time.

LuCinda Giannotti and Brian Watkins have a good time talking together. Kelly Perong spends time with Dale Waggoner. Couples greet each other in the lobby.

Graduation Means Hope, Dreams Of The Future

We came as freshmen, eager,
yet filled with apprehension.
We submerged ourselves
into the bustlin' activities
of campus life and eventually
emerged as a spirited, unified class.
We developed strong personal friendships
that will last long past Graduation Day
and memories we will always cherish.
We leave Cajon filled with hope
and expectations as we stand
on the threshold of a dream.
- Candace Hewitt

From azure hills
to shimm'ring sea
Our school stands true to all.
Cowboys we are proud to be,
And of our Green and Gold.
Cajon, we'll all defend thee,
And this is why we sing:
The glory of our victories
The Cowboy way shall ring!

Clubs And Organizations

I can't imagine what high school would be like without all the various clubs on campus. Campus life is more than just classes and sports. There are so many organizations that there is always something happening for students on our campus.

Drill Team Adds Sparkle

Cajon's thirty-member Drill Team has performed all year with the Marching Band, and occasionally without them. Consisting of flag carriers, banner carriers, and the Drill Team proper, the group was advised by Miss Mary Broadhurst during the first semester and by Mr. Sperry during the second. Cheryce Mayes was the Captain and Gwen Lester was the Co-Captain. The two of them have been the originators of all of the team's routines for the past year.

The drill team and marching band perform during a half-time show at the Homecoming football game. Members lend enthusiasm to a pep rally. Dressed in their sparkling uniforms, the members get together for a group photo. A salute to the Alma Mater is the closing act for the spirited group.

Classics To Jazz; Blues To Rock

Cajon's 1980 Stage Band, under the direction of Mr. Robert Sperry, was a very versatile band which played a wide variety of music ranging from jazz to rock, and contemporary to the blues. The year's nineteen member Stage Band participated in many jazz festivals throughout the year, including Orange Coast, Cal State San Bernardino, Hemet, and San Bernardino Valley College jazz festivals, and did exceedingly well in each. Cajon Courier Staff Produces Fine Paper

"Stop the presses!" is the cry heard in the newsroom as the Diligent Reporter, equipped only with pen, pad and press badge, brings in the Big Scoop of the day. Well, maybe that's not exactly how things are in the paste-up room of the Cowboy Courier, but Cajon's newspaper staff does have all the headaches of a big city newspaper complete with screaming editors, short notice deadlines, and the eternal pounding of typewriters. But with Mrs. Pat Tubiola as advisor, the Cowboy Courier brought not only the campus news to the student body but also many interesting and stimulating articles and editorials on a variety of subjects. And under the guidance and experience of Editors-in-Chief Melissa Love and Erika Peters, the 1980 volume of the Cowboy Courier became the finest newspaper produced at Cajon due to the exceptional writing of its outstanding top reporters, Sue Dyer, Rachel Gonzales, Candace Hewitt, Shana Price, Margaret Smith, and Susan Zimmerman.

Year's Work Focuses On Special Edition

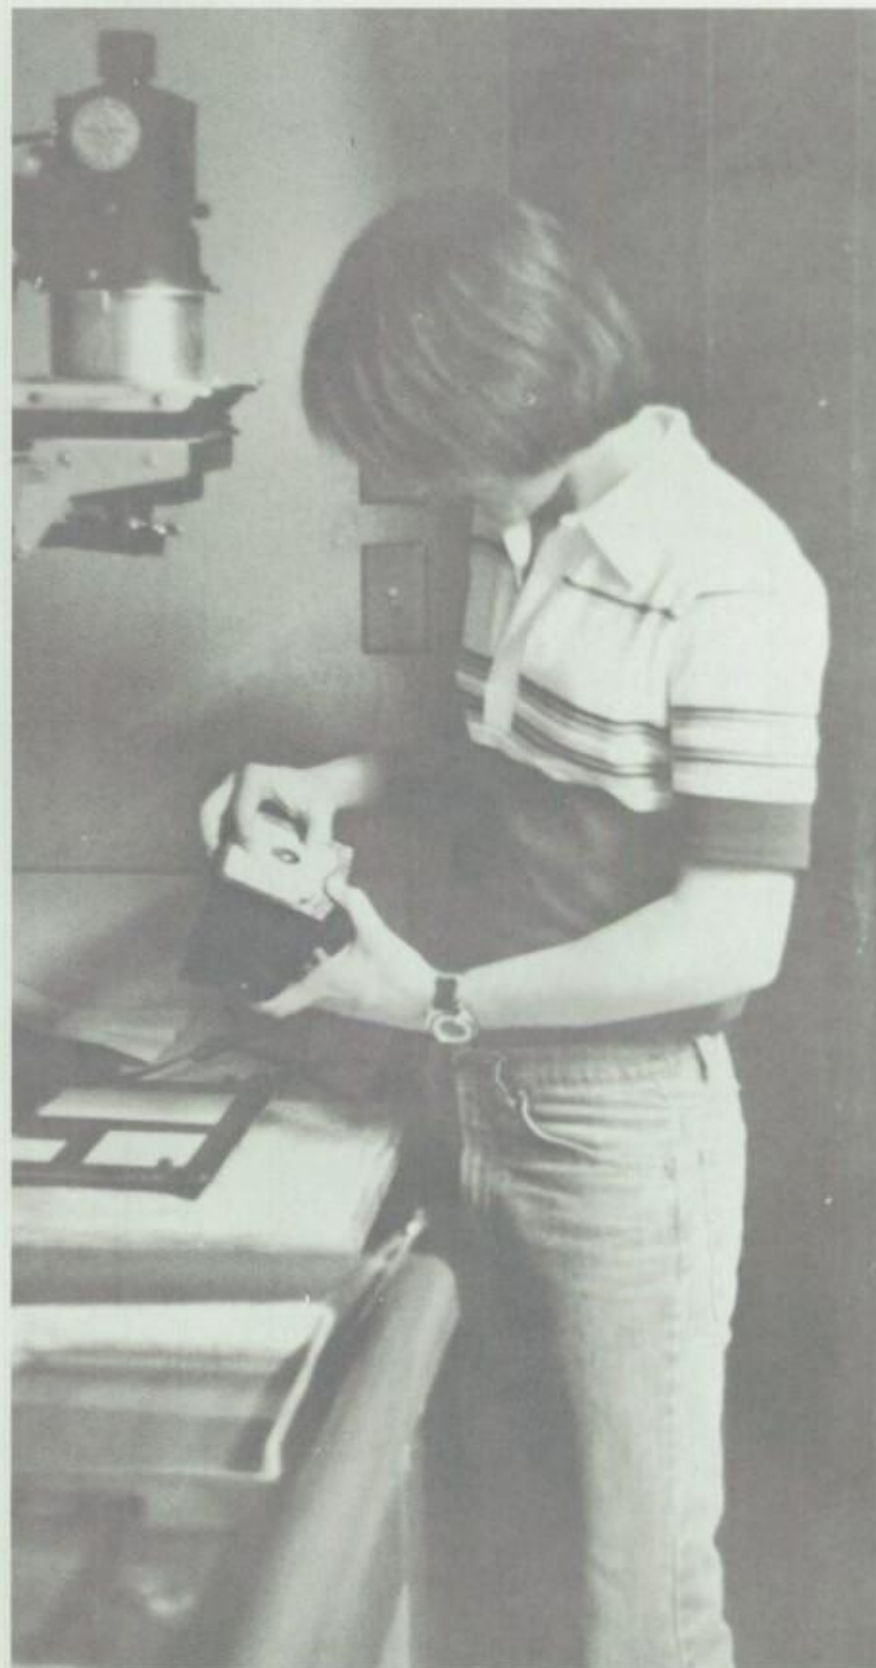

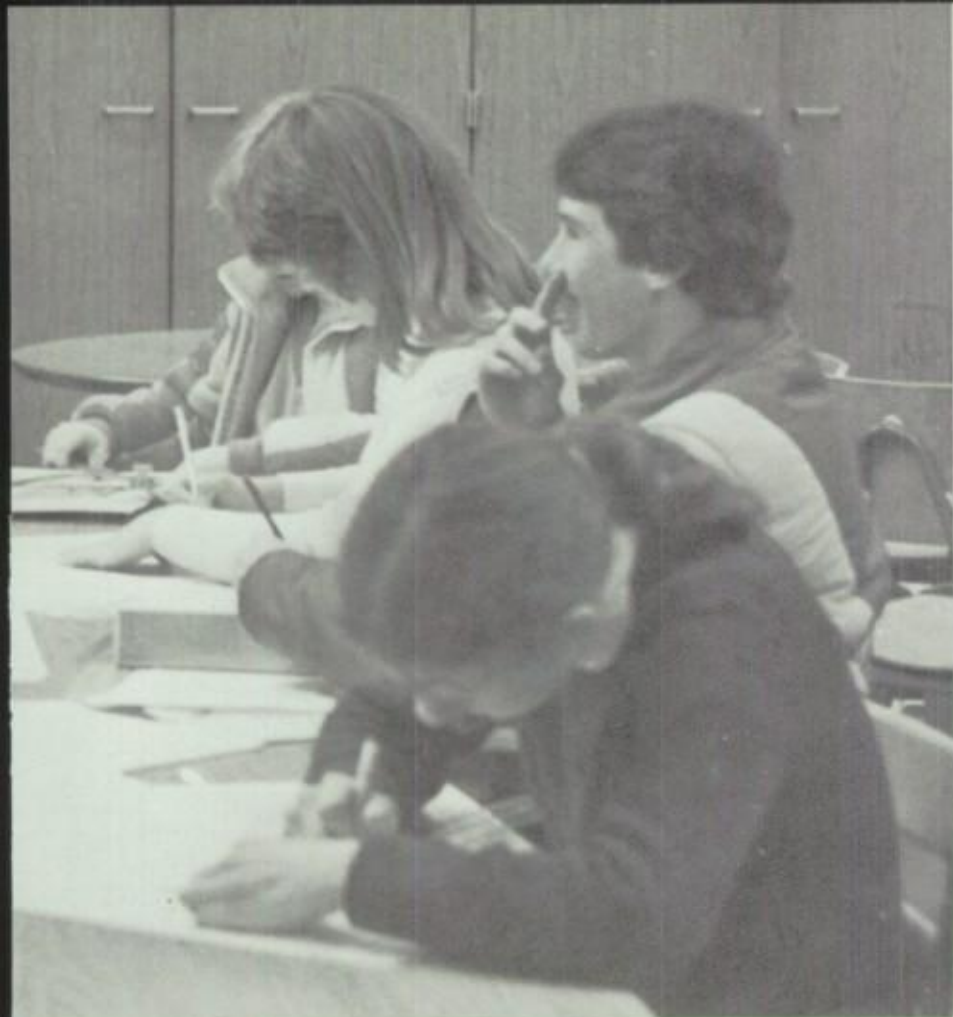

Making lay-outs, writing copy, cropping pictures, and straining to meet deadlines are a few of the many pains experienced by the Vaquero staff. But with a dedicated and hard-working staff of writers, typists, and photographers behind them all the way, the 1980 Vaquero editors did their best to produce another in a series of exceptional Cajon yearbooks. The 1980 Vaquero, with the theme of "Memorabilia," captures the spirit of a decade in retrospect. With the creativity and experience of Editor-in-Chief LuCinda Giannotti, combined with the technical advice of Mr. Wilbur Smith, the 1980 annual captures the mood of the school at the beginning of a new decade.

CSF Members Visit College Campuses

The California Scholarship Federation is a group involved in tutoring other students and visiting college campuses to give students an idea of what college life is like. Requirements for membership in this group are very strict. A student must receive at least three A's and one B in academic subjects each semester in order to be a member. Anyone who achieves this for four semesters, including one in their senior year, becomes a sealbearer. This year's club, sponsored by Mr. Benson, and Mrs. Anderson, took trips to the University of California Riverside and the University of Redlands. This year's group was led by President Melissa Love, Vice President Mary Braswell, Secretary Renee Lampham, and Treasurer Sara Lamb.

Cajon's chapter of the American Field Service was led in many activities by their sponsor Mrs. Sally Hartley, Mary Braswell, president; Ellen Soderstrom, vice president; and John Larrabee, treasurer.

The club learned much from its exchange student from Brazil, Joao Vargas, who lived with his host family, the Kruepers. Two students, Mary Braswell and Sara Lamb, were selected to represent Cajon as exchange students. Sara will spend a year in Bloemfontein, South Africa.

Besides learning about world cultures and gaining a greater appreciation of America, AFS members participated in a multi-national dinner, learned to make pizza, and gave a welcoming party at Farrells for Joao.

Groups Helped By Thespians

Thespians is a club for actors and actresses interested in the performing arts. For the past three years this club has worked in the Haunted House put on by the March of Dimes. They have also put on skits to raise money for toys for tots. The club met every Tuesday in room E-8. This year's sponsor was Mrs. Jane Pleas; the president was Shelley Penrose; vice-president was Kathy Neauppert; secretary was Eileen Knapp; treasurer, Gail Rigney; and the publicity chairman, Windy Kirkpatrick.

Wrestlerettes Keep Score

Wrestlerettes, sponsored by Mr. Sid Cardenas, is a group of girls who help promote team spirit at wrestling matches. These girls go to the meets and tournaments with the team and keep score and statistics. They also have fund raisers for the guys. This year's president was Lisa Plawin; vice-president was Lori Chapparo; and secretary was Lisa Lopez.

GAA Aides Girls' Sports

In order to raise money for girl's sports, this year's Girl's Athletic Association had several fund raisers which included selling popcorn and fruit juices to get money to help send girl athletes to camp and to help provide equipment for the various sports.

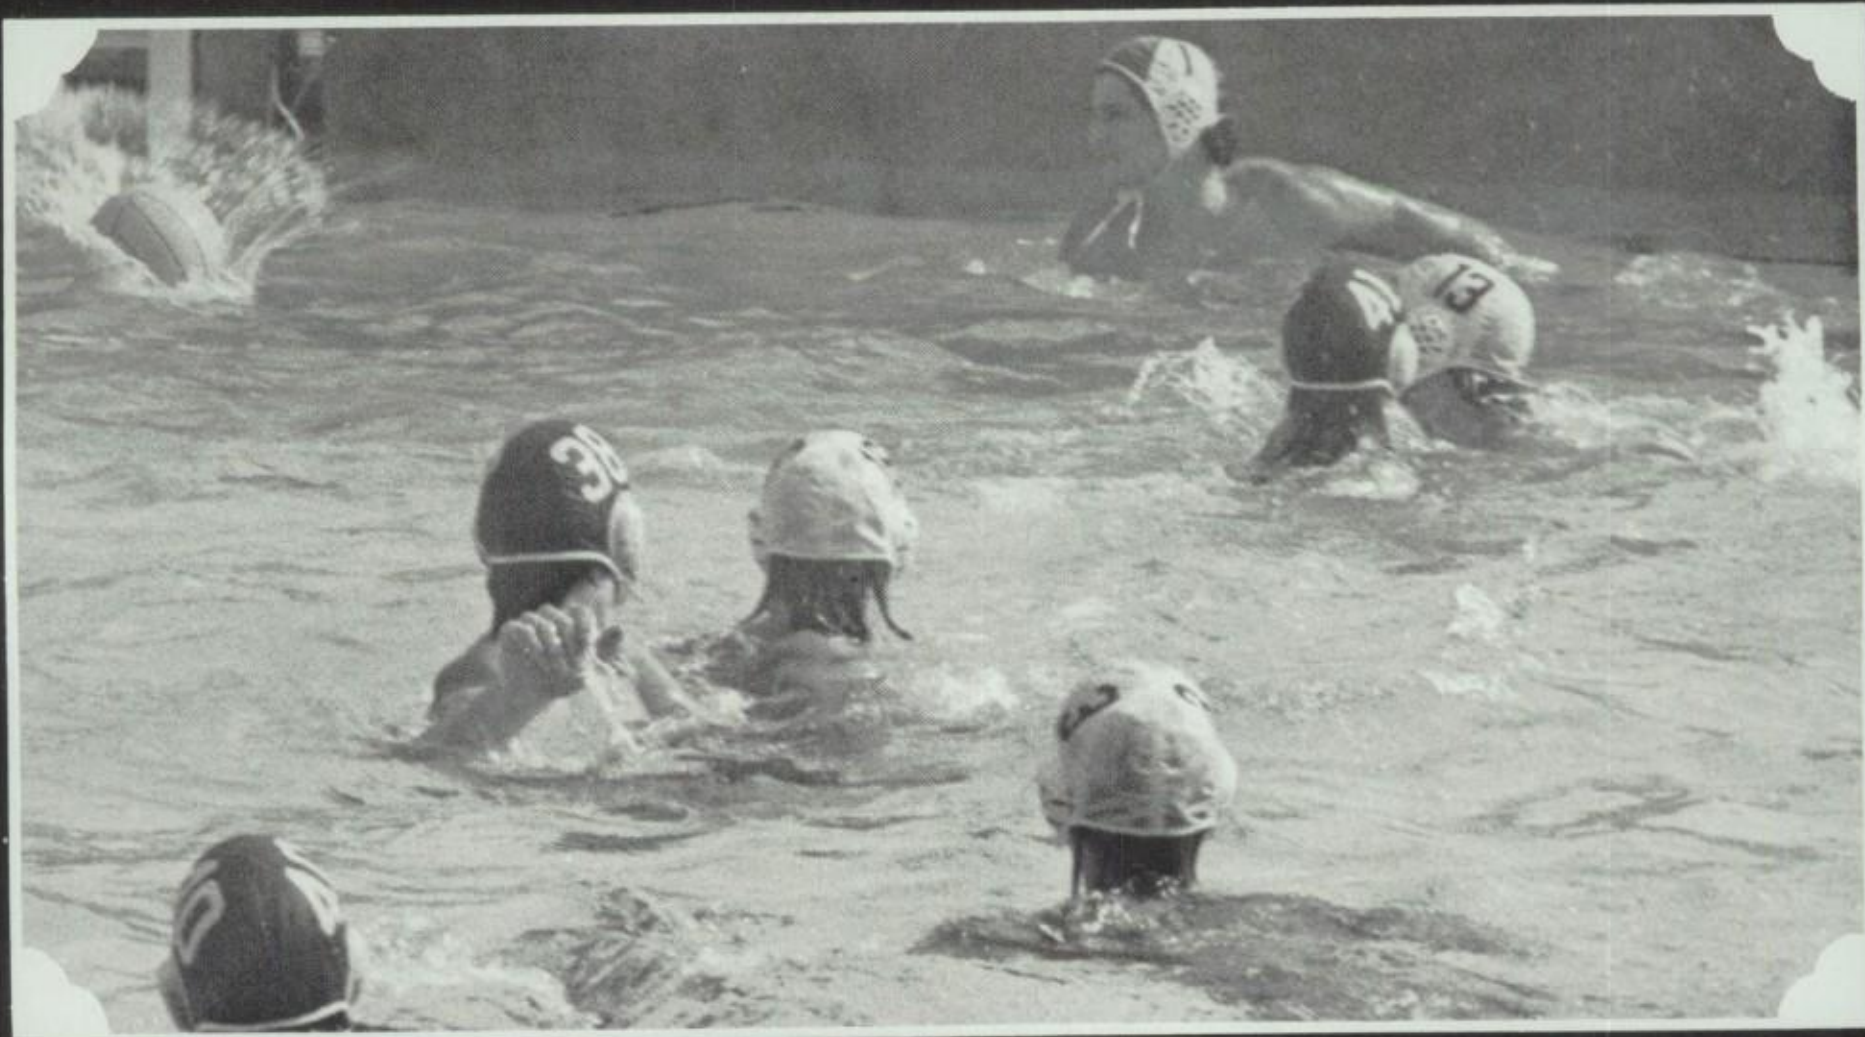

Membership in GAA includes all girls who have earned a varsity letter at Cajon. The officers of this year's club were Terri Nielson, president; Joan Bougie, vice president; and Brenda Larrabee, secretary. GAA was helped along greatly by Mrs. Naomi Ruderman, who was the club sponsor. Team representatives included Jackie Bougie, Volleyball; Kim Hurley, Tennis; Kris Ledbetter, Basketball; and Lisa Arnold and Anita Wilson, Track.

Club members are, Top Row: Bonnie Schuyler, Kris Ledbetter, Tani Highland, Brenda Larrabee, Denise Cooper, Terri Nielson, Joan Bougie; Middle Row: Mrs. Corine Housel, Nanette Williamson, Lisa Arnold, Janice McCall, Violet Pattison, April Morrow, Mrs. Naomi Ruderman; Bottom Row: Joanne Farrington, Kathy McIntyre, Diana Olander, and Jackie Bougie. Sports

Some of my most vivid memories of the year are of the great moments in sports that the Cajon athletes gave the student body. The several teams and individuals who went on to compete in CIF competition brought pride to the school and spirit to those who cheered the athletes on.

Varsity Ties For SAL Title

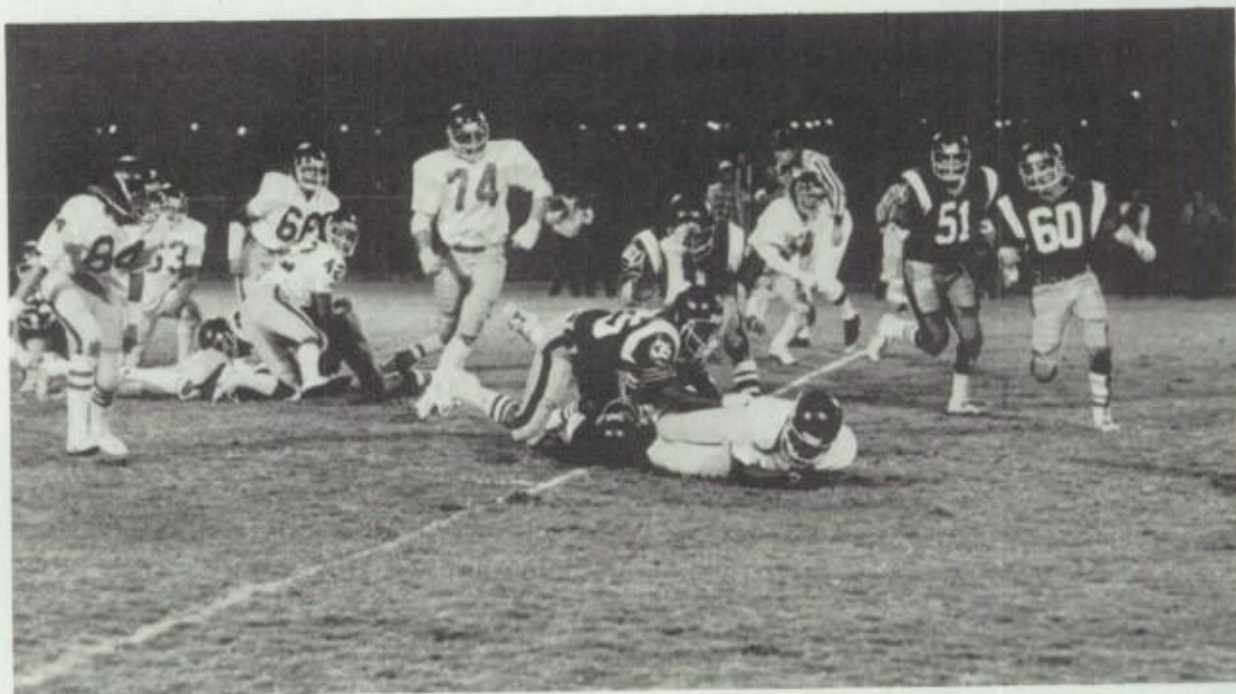

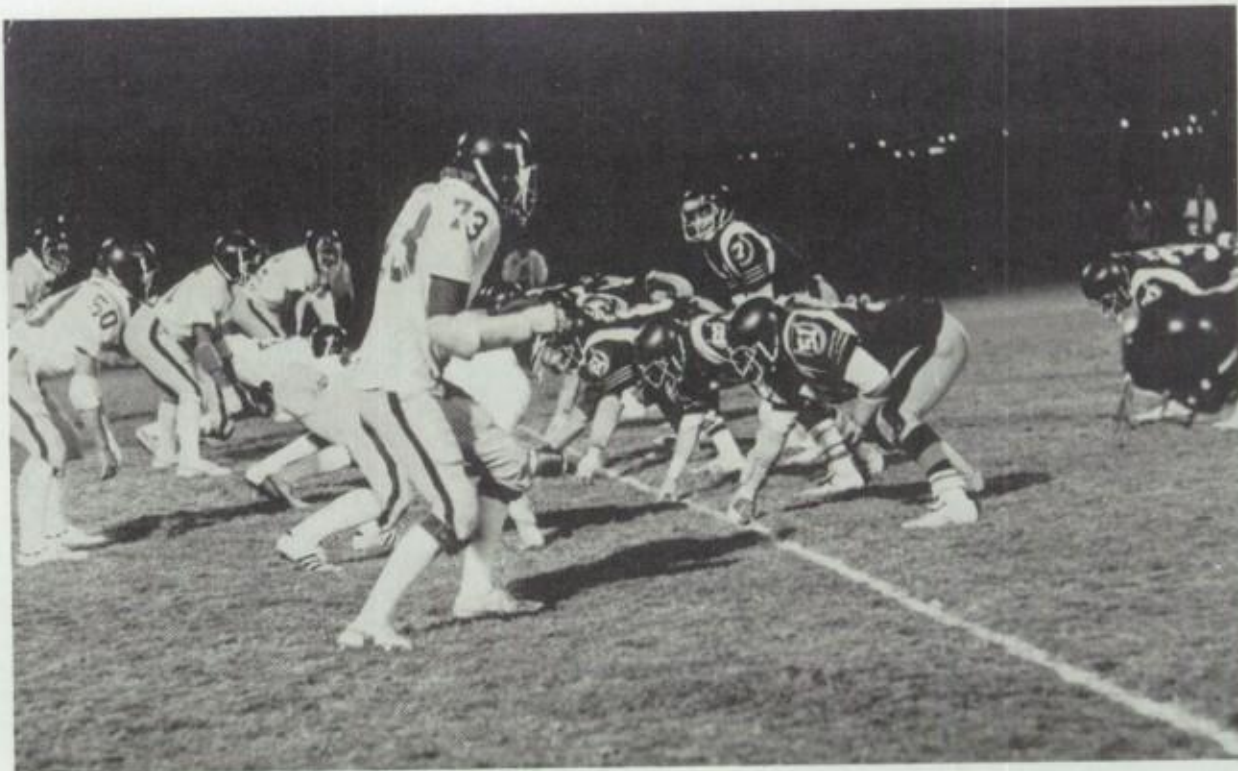

This year's Varsity Football team had a very exciting and memorable season. Ending with a 5-2 league record, they tied with three other teams - La Sierra, Yucaipa, Apple Valley - for the SAL co-championship. When a tie like this occurs, the league has a system to determine who will be the 1st, 2nd, 3rd place representatives to the CIF playoffs. Since Cajon was placed 4th, it was considered the wild card team.

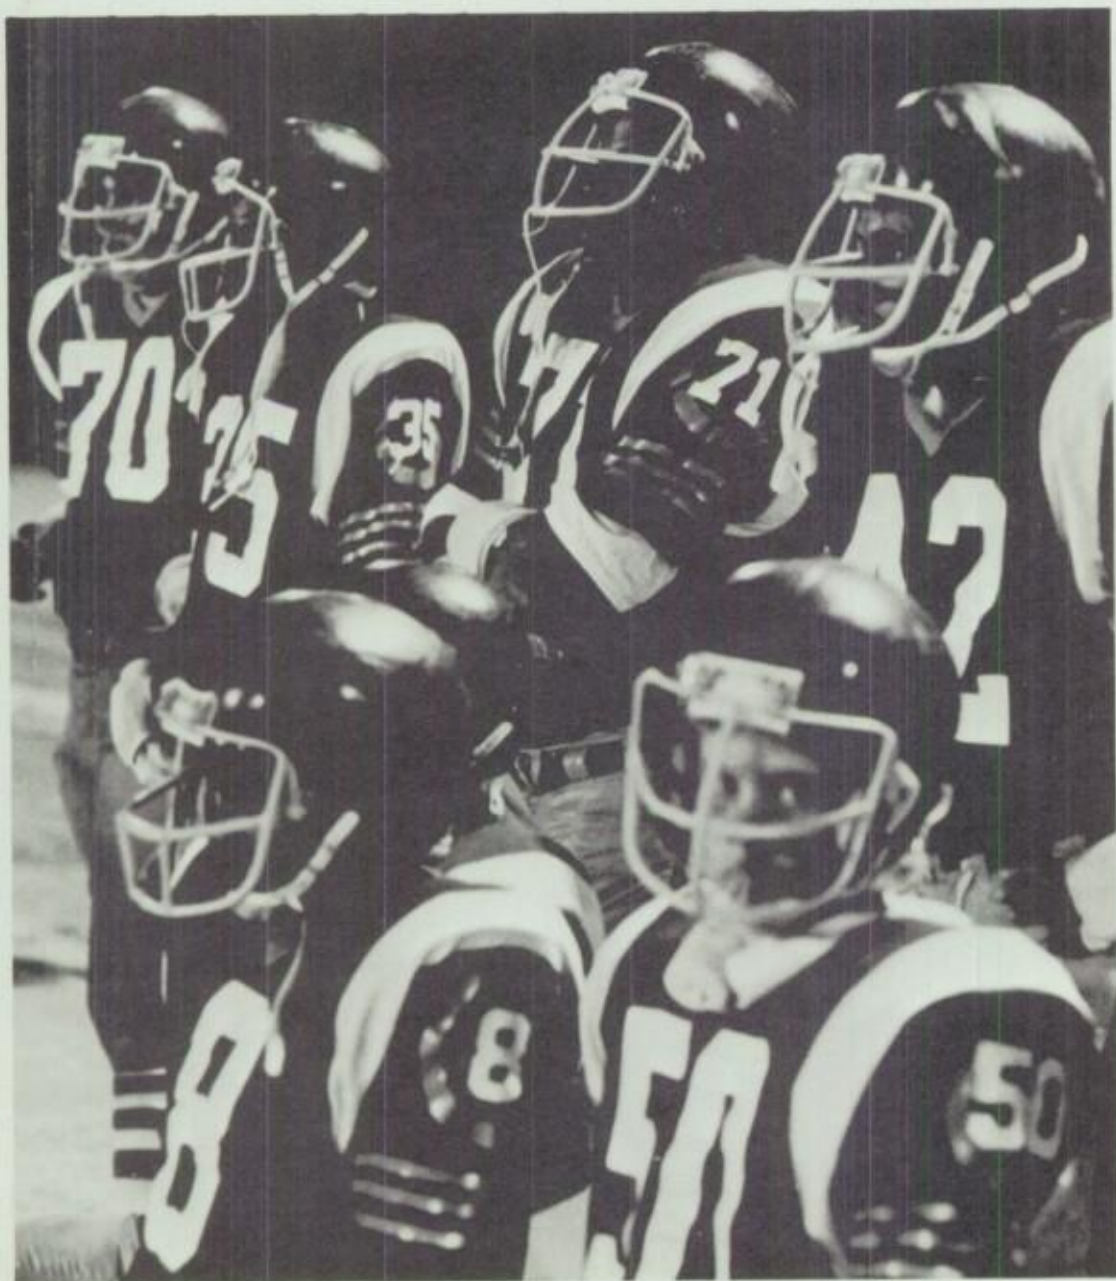

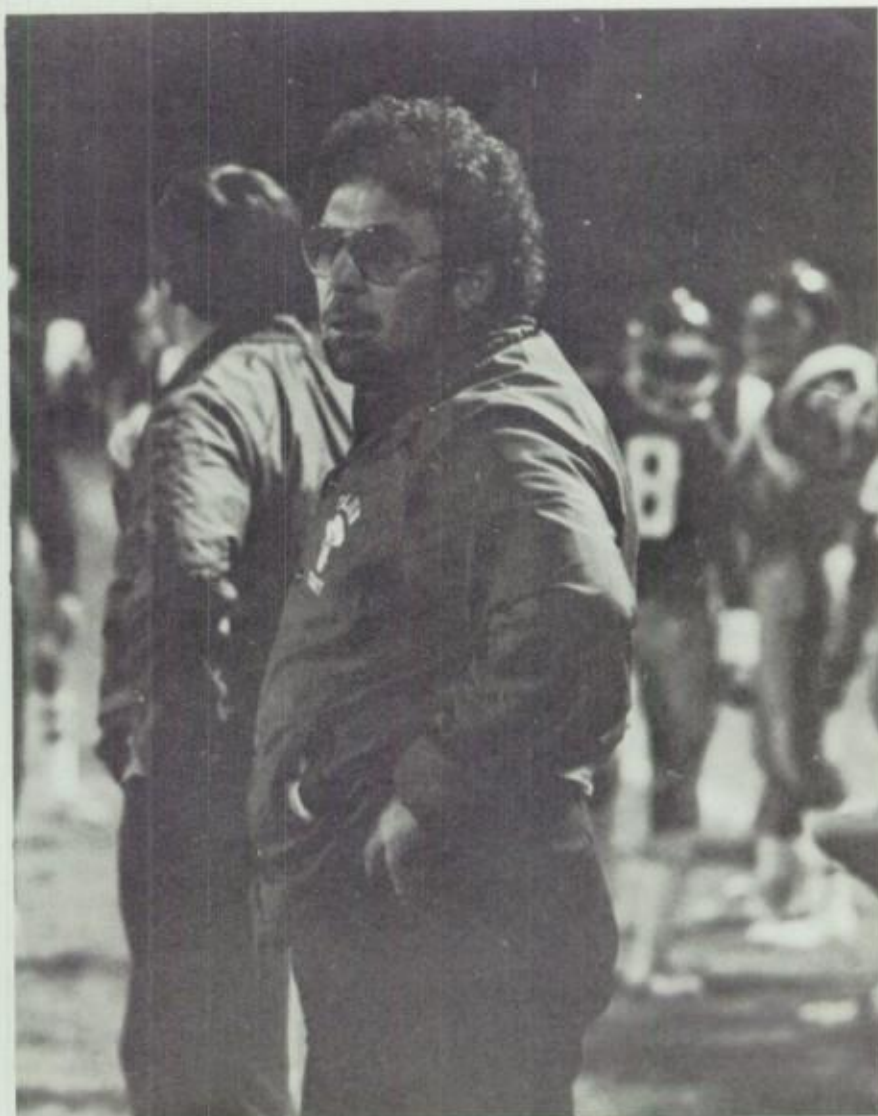

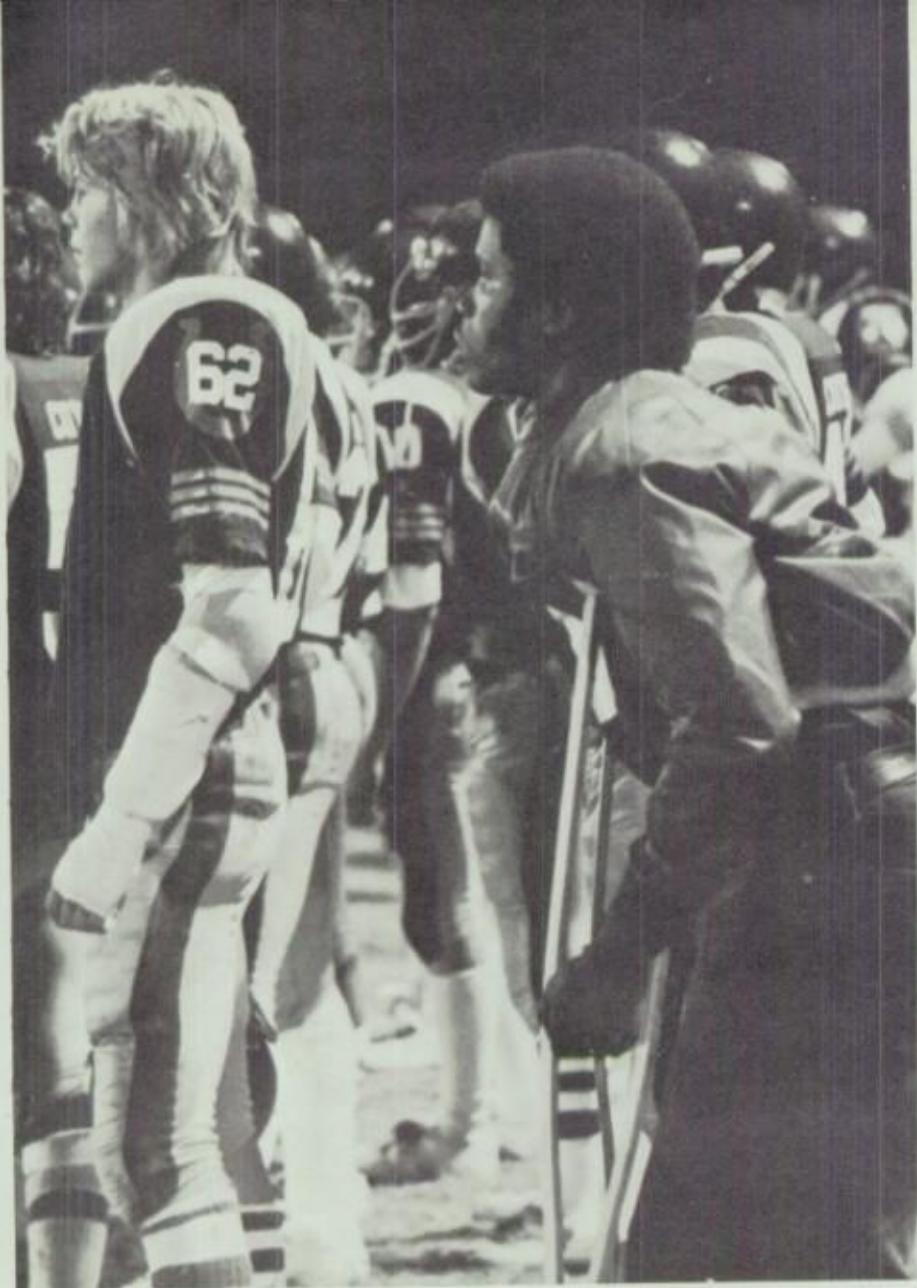

The slogan for the 1979 Varsity team was, "Next Year Is Here!"

The Gold Socks that many of the members wore, were to show their Brotherhood, Loyalty, Leadership, Spirit, Teamwork, and Ability.

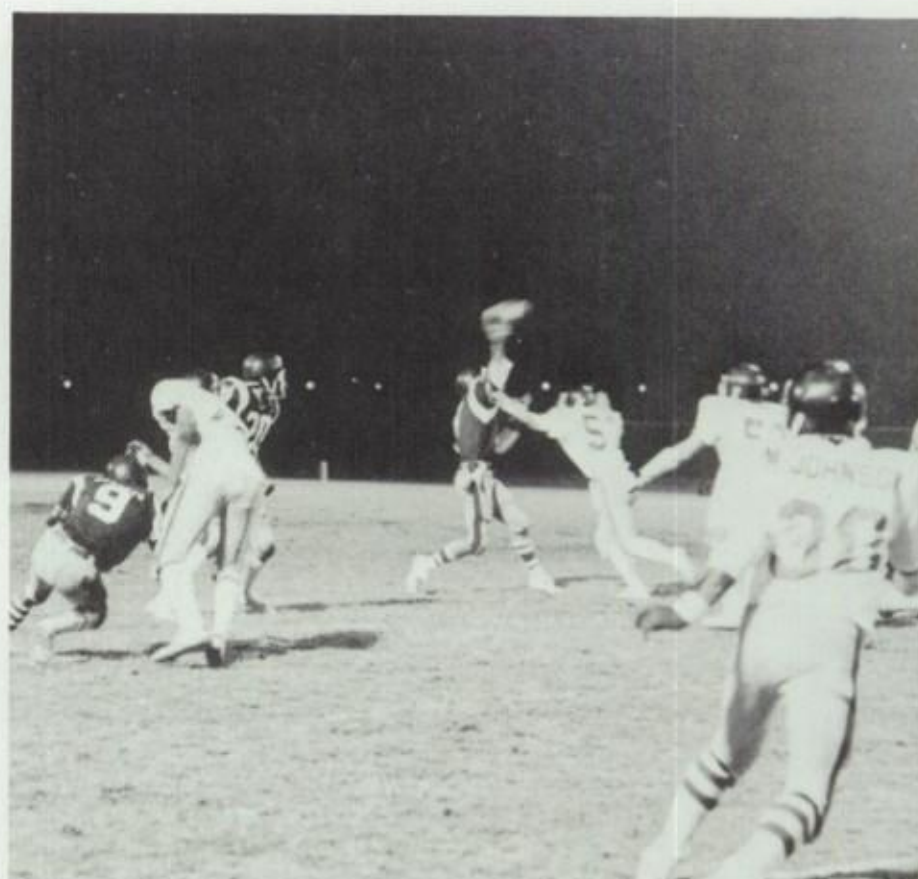

The Captain of the team was Jay Boyer, and the M.V.P.'s were Allen Anderson and Vincent Satcherwhite, Joel Henley and Eric Frazier received the Cowboy Award.

The fantastic Cowboys line up to oppose the Moreno Valley Vikings, during the Homecoming game. The Cajon Cowboys show their defensive skills by plowing over their rivals. Cowboys end a brilliant play with a rewarding touch-down.

Junior Varsity Has Disappointing Season

A season of frustration could describe the Junior Varsity's season, since their record shows one win and eight losses. But several of the games were close and could have been wins. Under the quarterbacking of Richard Imbriani, the offense gained primarily through the air to flanker Shelton Townsey and split end Brad Paxton. The ground game centered around Stephen Washington, a tail back, who was the team's leading rusher. Dudley Smith was the team's leading tackler. Kevin Lott was this year's team captain. According to Coach Rohn, the team never really jelled and played erratically, but had some outstanding prospects for next year.

Freshmen Footballers Learn by Playing

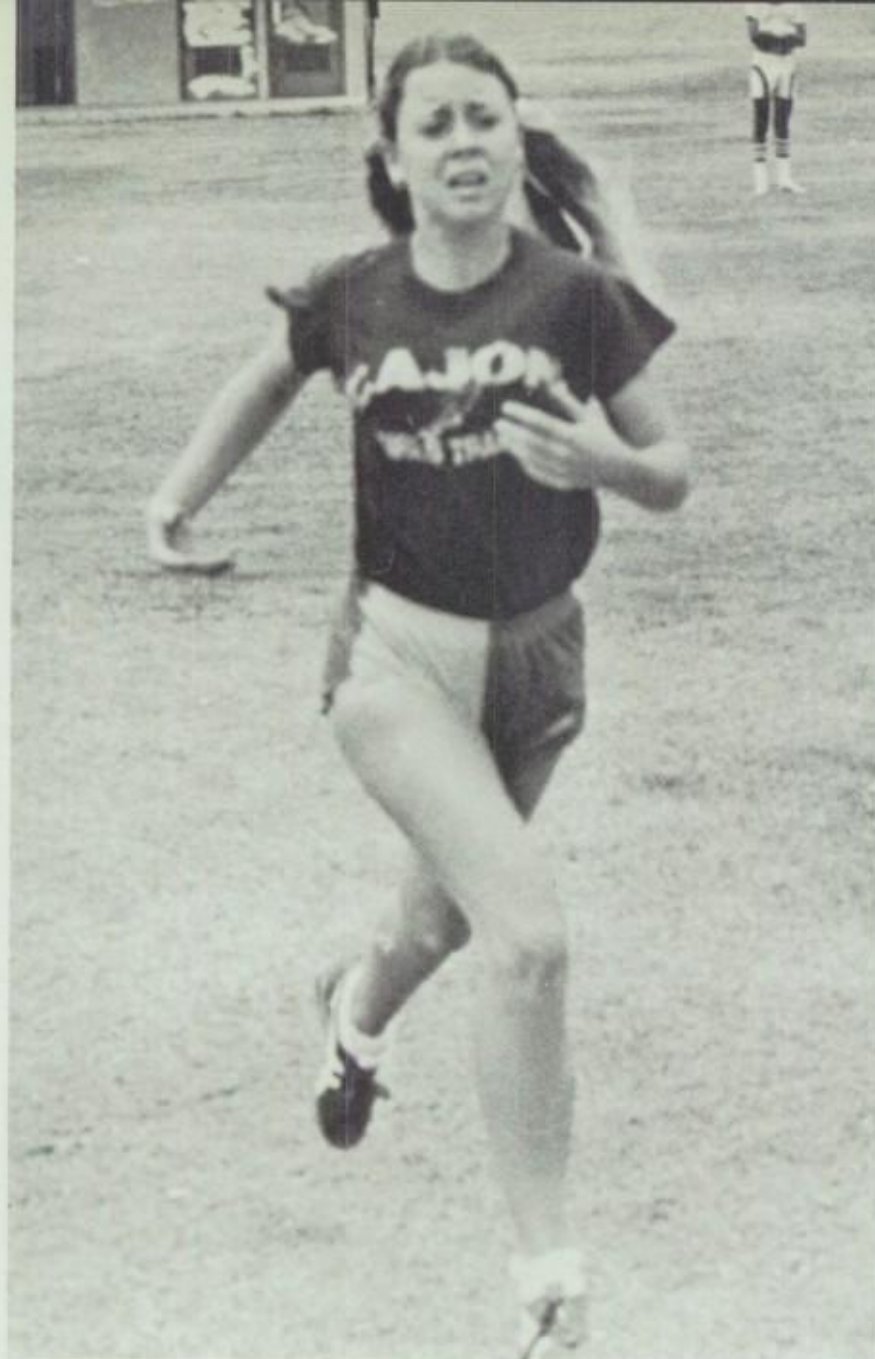

Under coaches Paul Marzullo, Toni Marzullo, and Kim Battin, the freshman team won four games, lost five, and tied one. Brian Bishop, quarterback and running back, led the team in scoring with Duane Lamb adding to the total. Bobby Saltzman intercepted several passes on defense. Also outstanding on defense were Max Groninger, Brian Bishop, Jon Davis, and Robert Kelly. Mike Schindler was punter during the last half of the season with an average of 35 yards. This year's team compiled the best record since Cajon fielded a freshman team, according to Head Coach Chuck Petterson.

Ploughman, Damron Set School Records

This year's Cross Country Team, led by MVP Scott Ploughman, compiled its best record ever. The team went on to win five meets, while only losing three. The team ended fourth in SAL, and barely missed making it to CIF. Coach Zietlow feels that this is the best season the team has ever had. Next year's team looks to be even better, as the team is mainly composed of sophomores and juniors. This includes such runners as the Cowboy Award winner, Brian Kreuper and the captain of the team, Billy Carroll. This year's records were set by Seniors Scott Ploughman and Mindy Damron. Scott had a time of 17:01 on the three mile course, while Mindy had a time of 13:10 on the two mile course. As coach Zietlow looks ahead, he feels that "with only one man leaving the boys' team, they will be trained and experienced enough to win CIF next year."

Varsity Volleyball Advance to C.I.F.

The Varsity Volleyball team took its fourth consecutive league title, breaking a CIF record with 60 straight wins. This allowed the Cowgirls to advance to the CIF playoffs where they went on to the quarter finals.

With expert coaching from Mrs. Naomi Ruderman and leadership from Captain Terri Nielson, this year's Volleyball team had a victorious year. Terri Nielson was named Most Valuable Player on the team and in the San Andreas League for her excellent performances. Terri Nielson, Joan Bougie, Jackie Bougie, and April Morrow were selected for the first team All League and Brenda Larrabee was chosen for the honorable mention team. The Cowgirl Award was given to Brenda Larrabee for her good attitude and extra effort.

This year's team had much devotion towards Volleyball, and they spent many long hours perfecting their skills. Coach Naomi Ruderman commented, "I am very proud of how this team developed as a unit and how each individual developed athletically." She also said, "The season was full of pleasant surprises and positive experiences."

J.V. Volleyball Team First in S.A.L.

With the help of Coach Ed Palmer this year's J.V. team went on to tie for first place in the San Andreas League. This was the team's second consecutive first place title. The determination and hard work of the entire team, combined with the leadership of Captains Cheryl Lewis and Madga Yanez, helped the team obtain this very successful year. The Cowgirls lost only two games this year. This outstanding record allowed them to share the first place title with Apple Valley. Although it took a total team effort to achieve this year's first place title, there were many outstanding players, one of whom was Freshman Marcy Anderson, later promoted to the Varsity team. Other valuable hitters were Juniors Loree Childers and Dorothy Govan. The achievements of these hitters were made possible by passes from Freshman Melissa Barlow and Sophomore Sharon Cleary combined with the sets of Junior Cheryl Lewis, and Sophomores Kathy McIntyre and Magda Yanez. Coach Ed Palmer thinks that the J.V. team lived up to the standards set in past years and hopes to improve them in the future.

Gonthier Leads Team; Wins League Honors

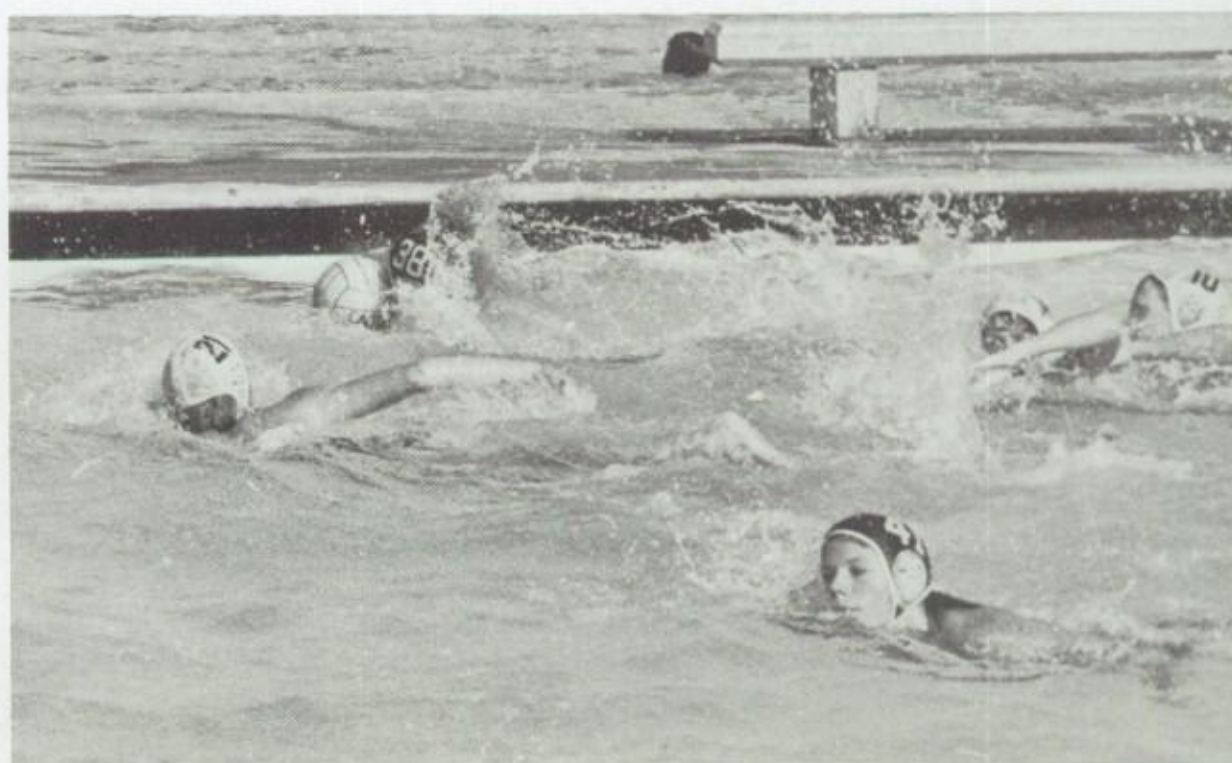

Cajon's Water Polo team compiled a 2-8 record to finish fourth in the Citrus Belt League. Senior Gerard Gonthier led the team in scoring and was named Captain and Most Valuable Player. He was unanimously voted All-CBL First Team honors. Co-Captain Tony Viero, a junior, earned the Cowboy Award and All-CBL Honorable Mention. Robert Marquez won the Most Improved Player award. The Team loses its three top scorers-Gerard Gonthier, Brian MacGregor, Dave Alexander-to graduation. Although these people are leaving, hopes for next season are high.

The Tennis team's league record of 0-14 is not a true indicator of the potential which many of the players possess, stated Coach Karen Marshall. The entire team will be returning next year and will benefit from the experience they have gained this year. Leading the team with her spirit was Captain Teri Horn while Most Valuable Players Rachel Gonzales and Kim Hurley led the team with their exceptional play. The Cowgirl Award was earned by Tani Highland for her outstanding sportsmanship on and off the court. Kamakazi Kids Look Towards The Future

Coached by Mr. Rod Jensen, the Varsity Basketball team, known as the "Kamakazi Kids," had a very difficult season this year. With a record of 6-15 overall and a league record of 4-10, placed sixth in the San Andreas League. Phil Veleker, in only his second year of organized basketball, was named captain. Rick Sams, who was honored with the Banzai award was the high scorer, averaging 9.5 points per game. The high rebounder this season was Orlando Houston, who averaged over 6 rebounds per game. Coach Jensen said, "with the seven returning Varsity players and the experience gained this year, the team is looking forward to a better season next year."

JV Squad Has Fine Players

Although the JV squad had a losing season, winning 3 of 21 games, some of the team members became prospects for the Varsity by showing great dedication and determination. Derrick Roberts averaged 11.5 points a game and was the league's leading rebounder. According to Coach Danny Jacobo, the team was very short, having to play against much taller players, and five of the members were freshmen with little experience. Derrick Roberts was named MVP with John Larrabee being named Most Improved.

Team members are Thomas Palmore, Max Groninger, Derrick Roberts, John Larrabee, Curtis Gerber, Keith Martinez, Bryon Bishop, Richard Imbriani, Dan Jacobo (coach). Derrick Roberts, MVP, scores 2. Coach Dan Jacobo discussing a play with the team members. Max Groninger going up for another point.

Spirit And Unity Were Their Main Objective

This year's freshman basketball team did not have a very successful season, but it was a year of learning. For many of the players it was their first time exposed to many of the basic techniques and plays that make a winning team. By the end of the season, the individuals had come a long way as players, as well as developing the sense of team spirit and unity. Leading the team was Captain Reggie Stanley, with the honor of MVP going to Sam Baines. Coach John Rezendes-Herrick is certain that some of the team members have good futures ahead in basketball.

Sammy Baines makes another basket for Cajon. Coach Rezendes-Herrick gives players a play during a timeout. Team members are Sammy Baines, Victor Nevarez, Willie Peterson, Scott Perong, Don Nelson, Reggie Stanley, Brian Robin, John Rezendes-Herrick (coach).

Varsity Squad Has Potential

This year's basketball team worked hard, finishing the season with a league record of 4-8. Although the league record is disappointing, it doesn't show the full potential the team possesses. Carolyn Sheppard, this year's captain and Most Valuable Player, led the team on and off the court, averaging 14 points per game. This year's team was led in rebounding by Kris Ledbetter who averaged over 12 rebounds a game. LaBrena Marshall received this year's Cowgirl Award due to her outstanding sportsmanship and effort. Girl's JV Basketball Takes Second In League

Girl's JV Basketball had a very successful year, placing second in the San Andreas League. They had a record of 11-2 with an average of 39 points per game. This year's team was led in scoring by MVP Donna Haney with 154 points for the season. Captain Bobbi Torrence led the team in rebounds averaging 13 per game. Although the team had its outstanding players, it took a total team effort to achieve their first place title at the Hemet tournament. As Coach Herman Zietlow put it, "there is great JV potential here and the future looks good."

Team Shows Strength In Several Areas

Although last year's boy's swim team lost more than half of their meets, this year's team looked to be outstanding. While only losing three seniors last year and gaining many new freshman talents, this year's varsity swim team seemed a serious threat to CIF. Senior Captain Gerard Gonthier was the best all around swimmer and came close to breaking many school records. Brian MacGregor, the other graduating senior on the team, was superb in the 50 yard and 100 yard freestyle. Rick Yeier, the 100 yard frosh-soph freestyle record holder, was excellent in the 100, 200, and 500 yard freestyle events. With Tony Viero swimming breaststroke and Brent Gauley in the 200 IM, next year's varsity swim team will undoubtedly be superior.

Team Challenges Last Year's Records

This year's girls swim team returned striving to beat last year's record of 6 wins and 6 losses at various swim meets. This year's returning varsity swimmers were Tani Highland, Diane McIntyre, Kathy McIntyre, Valerie Cosby, Nettie Williamson, Lori Chapparo, Sonya Negrette, and April Morrow. Last year in the medley relay Lori Chapparo, April Morrow, Julie Wall, and Brenda Traugott broke the record with a time of 2:15.2. This year Lori Chapparo came very close to breaking the school backstroke record of 1.12 that she set last year with a close time of 1.13. Valerie Cosby competed in the 500 yard free style and usually came in first or second place. The coach this year was Cindy Ramsey, who inspired the girls to work harder and gave them her time and encouragement. Without a doubt, this year's team was one of the best Cajon has ever had.

Kathy McIntyre makes a graceful dive. Team members are Chris Quick, Jackie Wilky, Debbie Passmore, Brenda MacGregor, Diane McIntyre, Tani Highland, Sonya Negrette, Nettie Williamson, Kim Lamb, Laura Bonadiman, Kim Clay, Tracy Kirtley, Natalie Chaves, Valerie Cosby, April Morrow, Kathy McIntyre, Cheryl Henley, and Coach Cindy Ramsey. Bill Morgridge and Kim Clay have a good time while waiting for their events.

Individual Wrestlers Spark Cajon Matmen

Although Cajon's wrestling team did not have a good season, many individual talents were displayed. Greg Barnes, Most Valuable Player on the Varsity team, went to CIF competition. Gasper Dorado, who pinned about 75 percent of his opponents, was an outstanding help to the Varsity team. James Jenkins, Captain award winner, Travis Johnson, Cowboy award winner, along with David Jones, helped the team. The team also had many splendid individual wrestlers. Most Valuable Player Rick Yeier and Captain Eric Romero led the team to many victories. Even though this year was not a winning season for the team, Coach Cid Cardenas looks forward to a good season next year.

Perennial SAL Champs Show Total Strength

Cajon High School has had one of the best track teams in the San Andreas League since the opening of the school, ten years ago. In that time we have won five league championships and one C.I.F. title. Two of the five league titles were in 1978 and 1979, and the 1980 team showed the strength to make it three in a row.

Traditionally, Cajon has had the reputation of being strong in the sprints and field events with the distance portion of the team taking the back seat. However, over the past few years the distance events, led by Scott Ploughman and Brian Krueper, have also become some of the best in the league. Allen Anderson, outstanding senior, and Junior Kevin Newton, the best sprinter's in the league, also led the 440 and mile relay teams to being the best in the league.

The strongest field events, led by Johnnie Stewart and Rod Durant, were the long jump and triple jump. As juniors last year, the strong duo had some of the top marks in the county and C.I.F. Their performances this season were outstanding, as they continued to be two of the best in the league.

The 1980 team, although lacking in depth compared to the two previous seasons, continued to uphold the fine winning tradition that has characterized Cajon for the past ten years.

Doing an outstanding performance in the long jump is Johnnie Stewart. Breaking the tape in the 100 yard dash is Kevin Newton, with team members Johnnie Stewart, Stacey Beckwith, and Tony Moore trailing behind. Frosh-Soph one mile runners Bobby Banks, Richard Imbriani, and Victor Nevarez. Junior Greg Barnes as solo varsity pole-vaulter. Paul Macon attempts a winning long jump.

Bobby Banks shows his style in the pole vault. Paul Macon receives the baton in the 440 relay. Freshmen Victor Nevarez and Michael Veralrud practice for an upcoming meet. Marcus Partly, Reggie Stanley, and Rodney Byrd running in the 330 low hurdles.

Powerful Track Team Dominates SAL Meets

With many returning lettermen from the 1979 C.I.F. championship team, the 1980 Girl's Track team was probably the best in Cajon's history. With the winning combination of our relay teams and the strength of our distance people, we represented a formidable contender for a C.I.F. title. The San Andreas League's best 440 relay team of Cookie Dawson, Bridgette Blackburn, Carolyn Sheppard, and Roxanne Jackson represented our league well at the state meet. Another fine representative from our league was our mile relay team which consists of Marcie Anderson, Carolyn Sheppard, Bridgette Blackburn and Roxanne Jackson. Marcy Anderson and Mindy Damron were hard to beat in the distance events. Bonnie Schuyler-discus, Ruby Payne and Donna Overton-shot put, placed high in our league finals. This year's track team was one that will be long remembered at Cajon.

Camilla Tyler shows facial expression during her shot put throw. Bridgette Blackburn pulls into the lead in the 100 yard dash. This year's track team is Tjuana Johnson, Sonja Goolsby, Marcy Anderson, Bridgette Blackburn, Tracy Macon, Mrs. Marshall, Rhonda Beckwith, Tanya Giles, Teresa Hampton, Rowy Davidson, Cindy Coberson, Cookie Dawson, Donna Overton, Sharon Rage, Ruby Payne, Darlene Anderson, Cynthia Sheppard, Camilla Tyler, Carolyn Musgray, La Tonya Thornton, Donna Haney, Felica Hampton, Cheryl Covington, Joann Payan, Cynthia Jackson, Magda Yanez, Linda Webb, Blanca Yanez, Melinda Damron, Gloria Pacheco, Sherri Lewis, Bonnie Schuyler, Carolyn Sheppard, Joan Austin, and Veronica Monherty.

Mindy Damron, Blanca Yanez, and Magda Yanez strain to finish the 2 mile run. Cindy Coberson leads her teammates in the hurdles. Marcy Anderson, Sonja Goolsby, and Darlene Anderson show the happiness of winning. Bonnie Schuyler gives it all she's got.

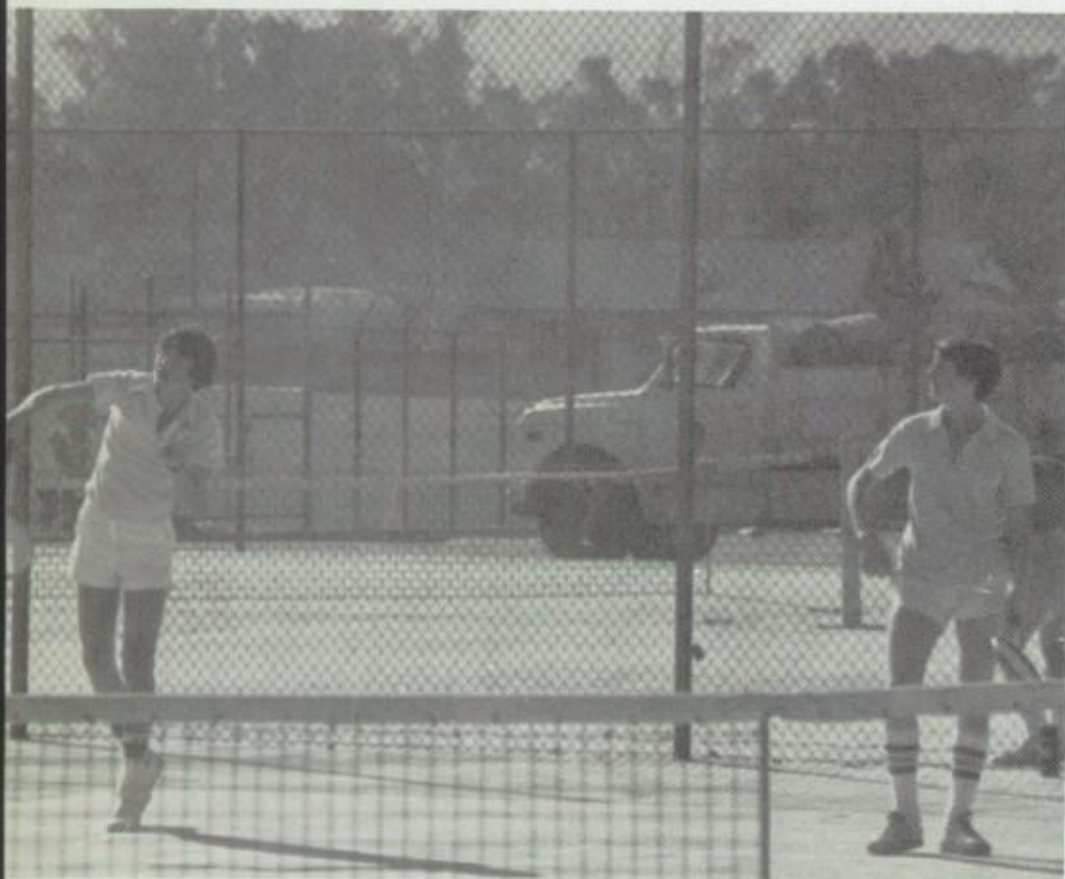

Ruby Payne strains before her throw. Bridgette Blackburn breaks the tape with a smile of victory. Marcy Anderson goes out in front of the pack in the mile run. Track members await their event. Showing excellent form, Tjuana Johnson clears the high jump bar. Magda Yanez shows her stride in the 880. Carolyn Musgray sprints towards the finish line in the 440 relay.

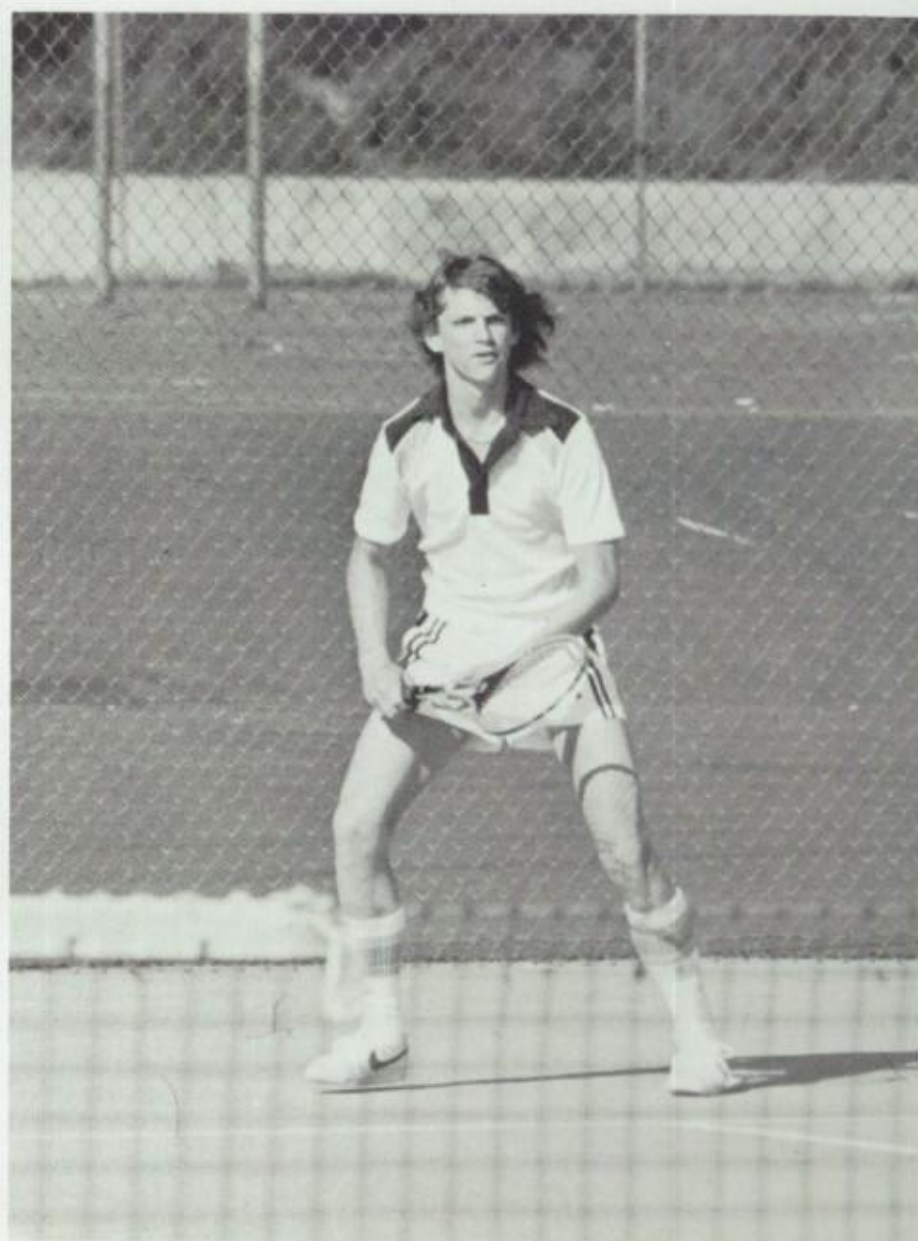

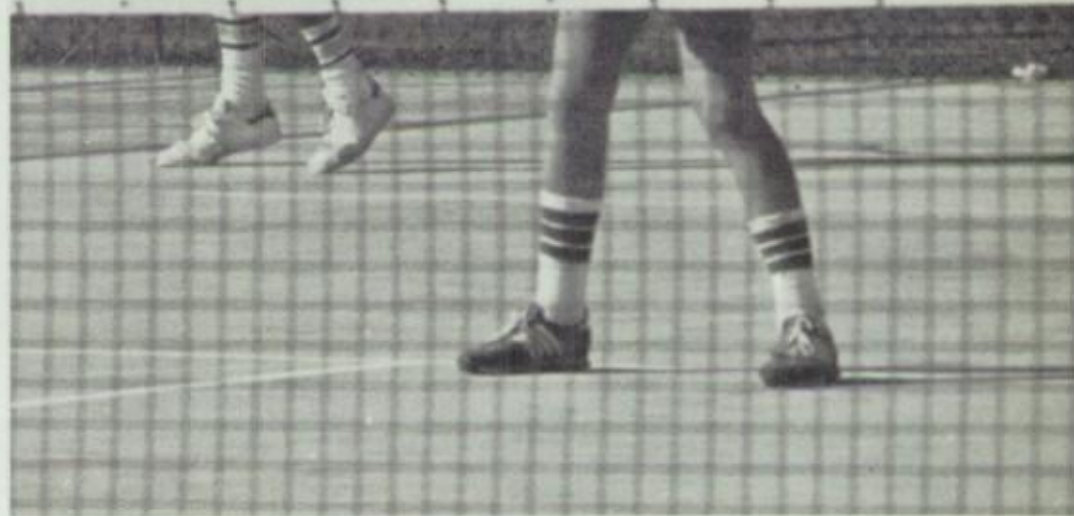

Sparkling Play Gives Squad Best Season

Coming back from a disappointing season last year, the 1980 Boy's tennis Team is sure to be one of the best in all of Cajon's past history. Winning two of their first four games, the team was successful due to the strong talent of returning players such as John Azvedo, John Flesher, and Oliver Levy. The strength of the team lay in both the singles and the doubles teams thus insuring a winning season. This was the first coaching experience for Coach Kim Battin, but he was confident in his team's ability. According to Coach Battin, "This team was a serious contender for the league title."

John Flesher approaches the net to finish off his opponent. Dan Evans watches on as doubles partner Craig Huff follows through on his serve. Kevin Hatton eagerly awaits his opponent's serve.

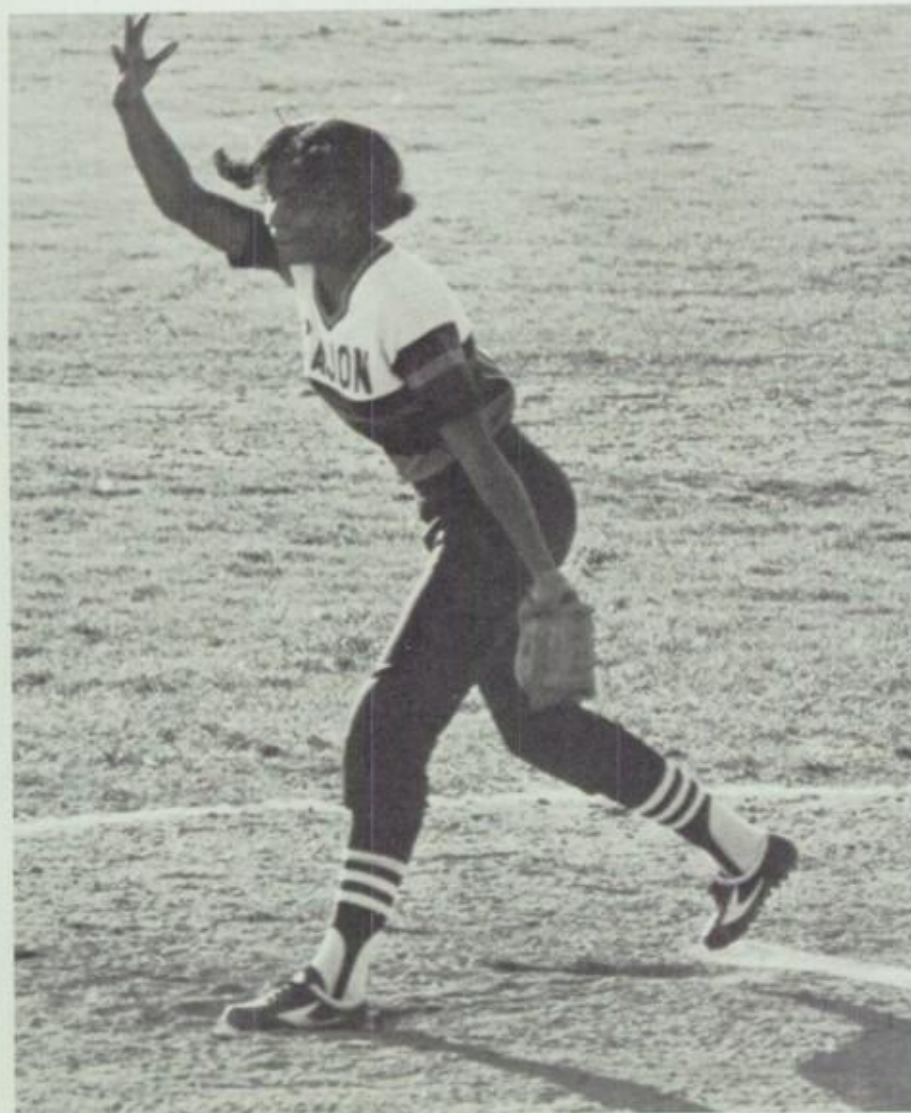

John Azvedo prepares for his next game. Brian Sander watches on as doubles partner and brother David attempts to return the volley. Members of the 1980 Tennis Team are (standing) Demetrio Delgadillo, Adam Shay, Mike Schlax, John Flesher, Craig Huff, Dan Evans, Oliver Levy, David Sander, John Azvedo, Kevin Hatton; (kneeling) David Nirschl, Jason Lewis, Brain Sander, and John Manak.

Softball Team Works Hard

This year's Varsity Softball team was very successful in league competition. Coached by Naomi Ruderman, the team worked hard toward improvement on all their skills. Led by Captain Terri Nielson, this year's team put out an excellent effort in an attempt to return to C.I.F. playoffs. Determination and hard work by Melissa Barlow entitled her to move up to the Varsity Squad. This determination, which was shared by the whole team, was the reason for this year's successful finish.

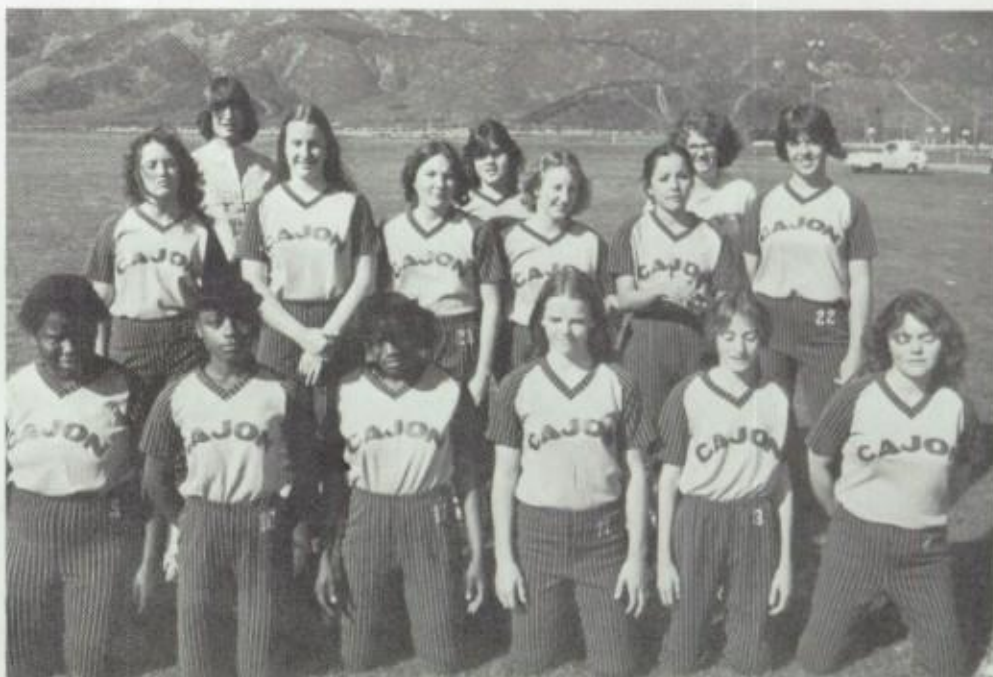

Kim Hurley, tagging out a San Geronio player who was attempting to return to second. Sharon Cleary, awaiting the ball at home during warm-ups. Jackie Bougie completes a double-play.

Natalie Anderson awaits the pitch. Team members: Top row: Jennifer Montieth, Terri Neilson, Jackie Bougie, Jeanie Thompson, Jeannette Jackson, Cheryl Gibson, and Coach Naomi Ruderman. Bottom row; Rachel Madrid, Sharon Cleary, Diana Olander, Kim Hurley, and Natalie Anderson. Jeannette Jackson, pitching a curve ball, Diana Olander looks confident about her throw home.

JV Softball Has Successful Season

The Junior Varsity team was very successful this year. Under the leadership of their new coach Leanne Ulmer, the team worked hard to better its second place finish of last year. Brenda Larrabee and Carolyn Chapparo, this year's captains, served to inspire the team on the field and bring them together as a unit. Practicing everyday after school improved their overall skills and led them to their successful season.

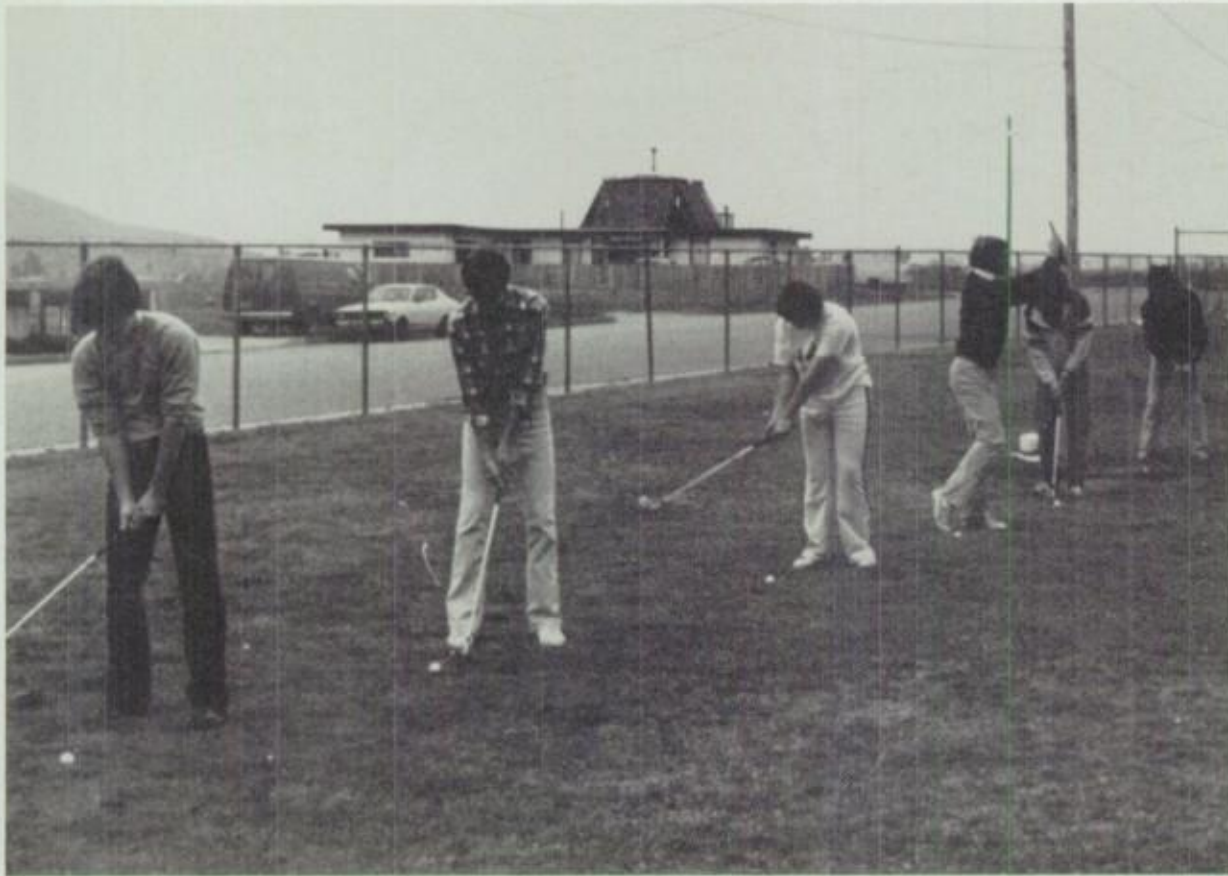

Team members Top Row: Heather McDonald, Coach Leanne Ulmer, Shelley Ryan, Cheryl Lewis, Lisa Bakker, Joanne Farrington, Carolyn Chapparo, Manager Sue Hammonds, Brenda Larrabee; Front Row: Pat Davis, Geraldine Jones, Angie Harper, Melissa Barlow, Beth Boom and Lisa Trask. Melissa Barlow anxiously awaits the ball at home plate. Carolyn Chapparo shows her form with a perfect follow-through. Brenda Larrabee prepares for another hit.

Team Scores Several Wins

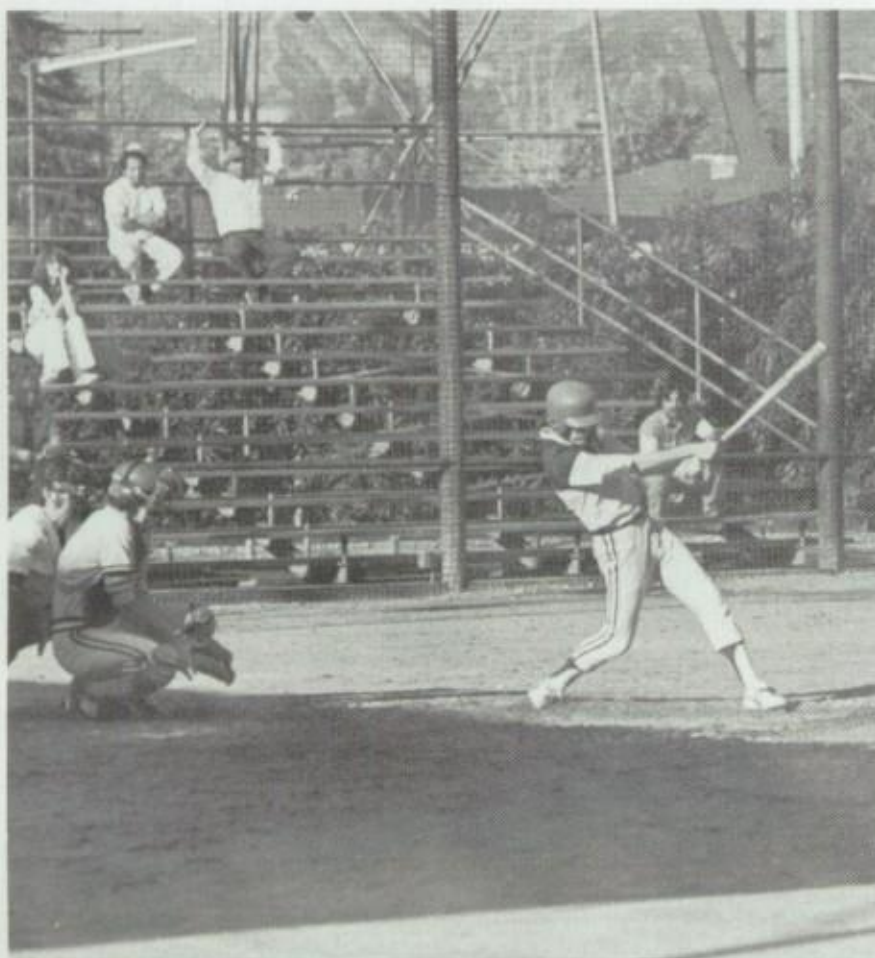

The 1980 Cajon Golf Team started the season with its ranks full of returning talent. Sophomore Steve Norton played the number one position and led the team in its winning season along with the help of returning juniors John Larrabee and Robbie Reynolds. Coach Arvil Hale believes that this year's team was the best in Cajon's history.

The members of the Cajon High Golf Team sharpening their skills are Bill Sheble, John Larrabee, Steve Norton, Joel Henley, Robbie Reynolds, and Charlie Schuyler. Robbie Reynolds and Steve Norton practice their iron shots.

Team Spirit Is Key To Successful Season

The 1980 Varsity Baseball Team entered the season with a new burst of spirit which was brought on by the arrival of the new coach, Mr. Joel Escobar. The new coach, new uniforms, and new players all contributed to the revitalized sense of team unity and the positive attitudes that make for a winning team. Although seven players of the sixteen member team were excited entering their first year as varsity players, the team did not lack in experience, as nine of the sixteen were returning lettermen. With team leaders like Bill Sessions, who was all-league for two consecutive years, Louis Lukes, Danny Burke, Billy Davis and Milton Harper, the team matured as a whole in both playing ability and sportsmanship. The fair pitching and speed that the players demonstrated were other factors in this year's season.

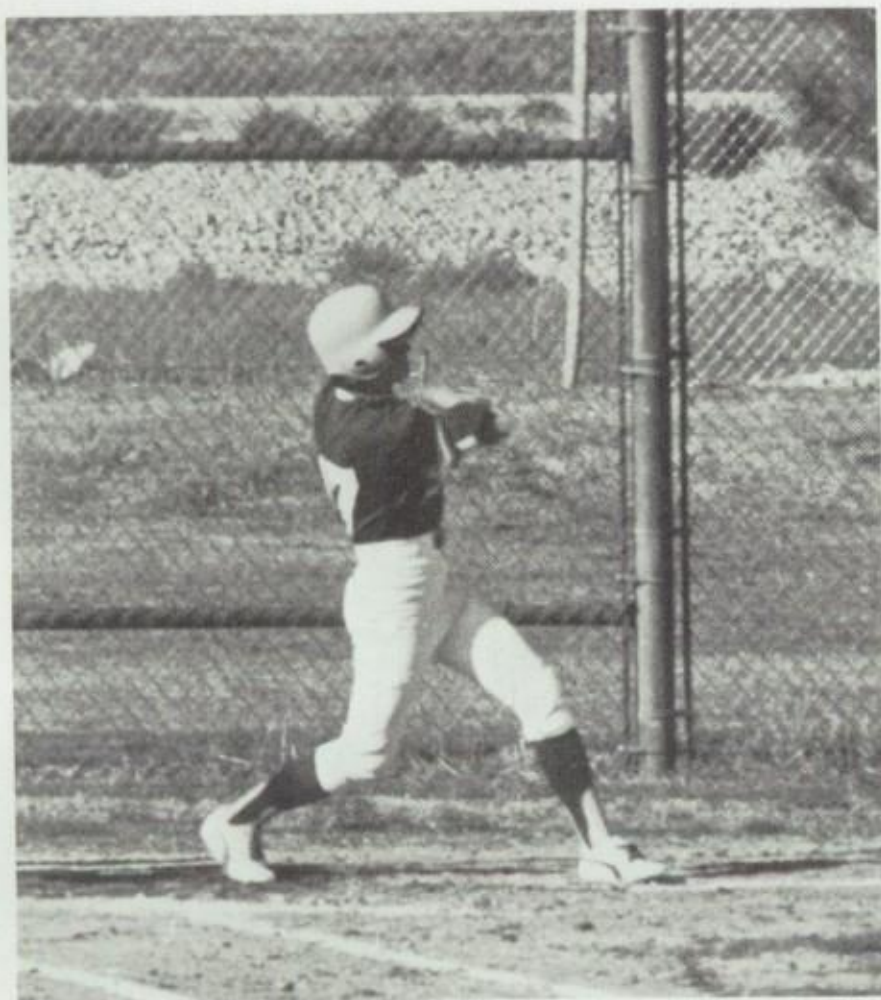

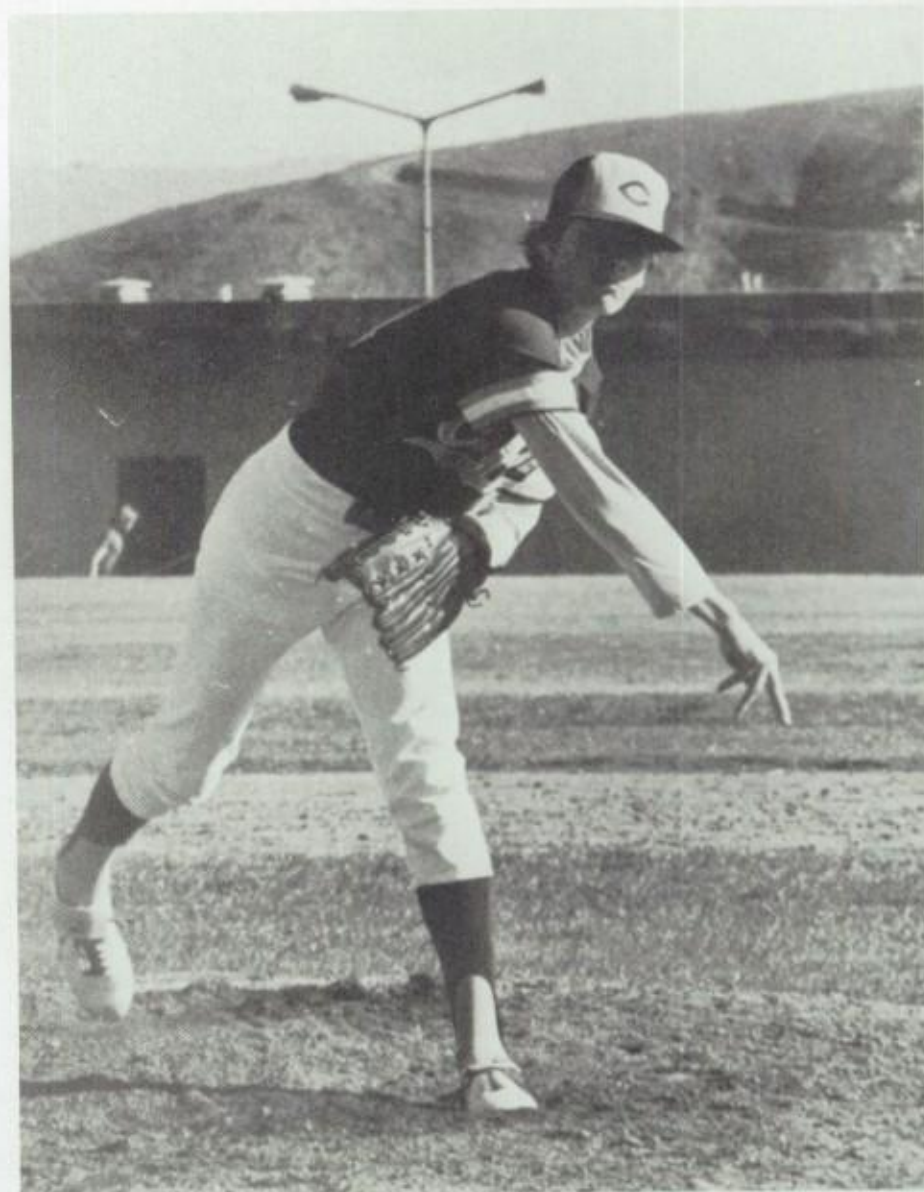

Junior Bryant strikes out another Spartan. Danny Burke raises his batting average. Catcher Gary Smith talks to pitchers Louis Lukes and Junior Bryant about defensive strategy. Billy Davis makes a quick stop at second. A close play with Louis Lukes at third base. Varsity team members are (top row) Coach Joel Escobar, Rick Browning, Gary Smith, Dave Semo, and Lee Davis. (middle row) Junior Bryant, Danny Burke, Louis Lukes, Jay Boyer, Milton Harper, And Bob Dubell, (bottom row) Rowdy Torrence, Fred Alvarado, Billy Sessions, Julian Romero, and Jim DeQuattro.

JV Baseball Team Improves '79 Record

With few returning players and a new coach, Mr. Ernie Cabrerra, the 1980 Junior Varsity Baseball Team illustrated their desire to win and a willingness to improve. They exhibited pitching and infield strengths along with improvement in other fundamentals of baseball such as hitting, mental preparation, and concentration. Strong players like Eric Romero and Tom Brown, along with team leaders Harry Davis and Mike Boyd, enabled the team to have a successful season and to overcome last year's record of one win during the season. Coach Cabrerra believed that it was the unlimited potential of this year's team and the determination of individual players that made the 1980 season one to remember.

Gary Franks concentrates on his pitching. Tom Brown swings for another hit. Thomas Miller sprints to first base.

Russell Landon slides safely into first base. Team members pictured left are top row: Gary Franks, Scott Walker, Russell Landon, Mike Boyd, Mark Cundy, Greg Gerber; middle row: Coach Ernie Cabrera, Thomas Miller, Eric Romero, Justin Lewis, Harry Davis, Mike Schindler (manager); bottom row: Don Camp, Tom Brown, David Jones, and Charles Medina.

Pep

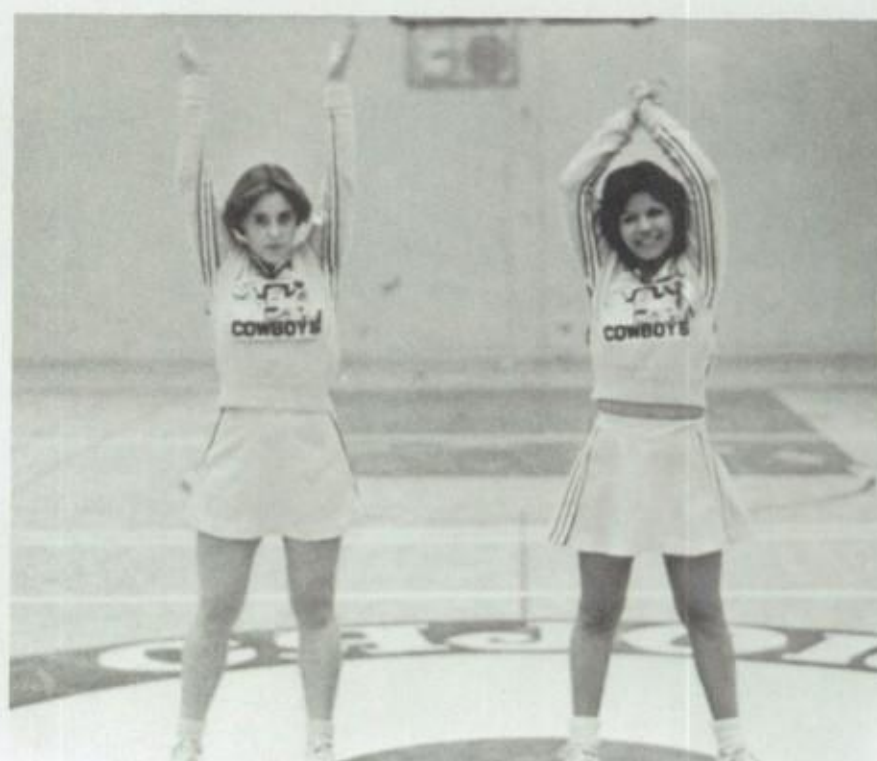

Football and basketball games just wouldn't have been the same without the cheerleaders. This year's pep squad brought fun and excitement to the fans as well as the athletes. This exceptional spirit brought a little bit of class to the rowdy and slightly chaotic pep rallies.

In the above photos the poms perform their best routines. Poms doing one of their form actions are Barbie Little, Kim Nash, Jody Garner, Sherry Shelton, Shannon Uli, April Morrow. In front doing the splits is Lori Chapparo. On top is Patti McDonald.

Gail Rigney Heads Flags

Pulled together by Gail Rigney, the flags worked to become a good squad. Throughout the summer they did many fund raisers so they would be able to go to Flag Camp and learn many new skills and routines. They used these skills to help bring their teams to a winning season.

The flags show off with a fancy formation. On top is Eileen Knapp. In the rest of the formation are Maria Parish, Denise Leeton, Teresa Davis, Jenny Proach and Gail Rigney in the splits. In the rest of the photos the girls show their skills in twirling their flags.

Lisa Lopez Unites Squad

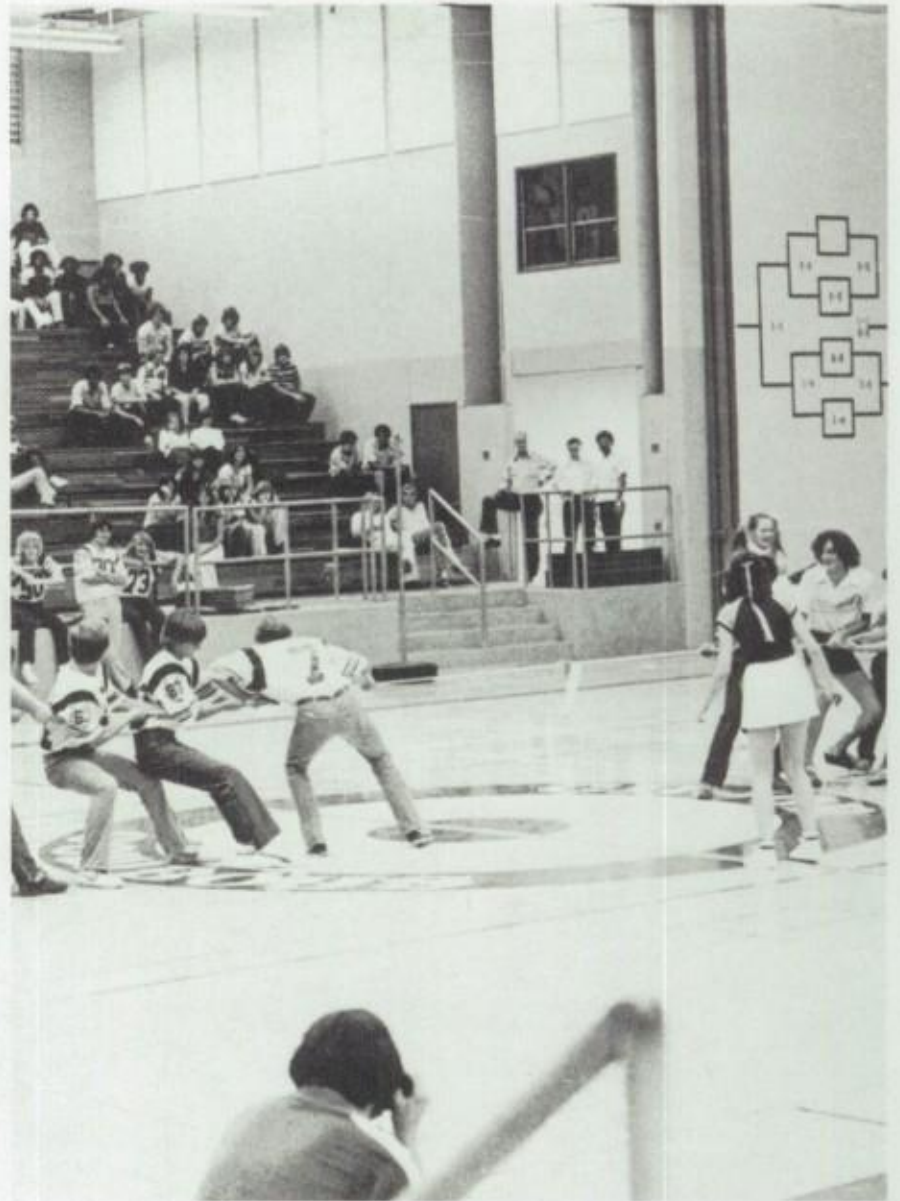

Under the leadership of Lisa Lopez, the J.V. cheerleading squad had a unity that is hard to find. They took time, practiced hard, and became good cheerleaders. They were behind their teams all the way, and cheered them on.

The J.V. cheerleaders form a staircase for their spectators. Kneeling is Vanessa Bailey, next is Cindy Verner, Lisa Lopez, Caroline Chapparo, and Beverly George. In the other photos the girls are doing their favorite cheers.

Faculty And Staff

Though a school may have an exceptional football team or a truly spirited student body, the true quality and reputation of a school rests on its faculty. The strongest memories of high school will be those of the teachers and the members of the staff.

A Special Year

Memorabilia. His letterman jacket and my pom-poms. His worn-out track shoes and my graduation tassel. Photos of friends at the last pep rally and of our first prom.

Memories. Memories of a year of good times and a few great times. Good times spent with friends and special moments with that special one. Memories of the lunches of jokes and laughter and the tears we cried when we said good-bye.

It was a special year. A year of special memories. Memories that will never let me forget those very special people.

Harrison Canyon Flood Relief

Many Cajon students spent more than 200 man hours helping residents dig their homes out of mud, sometimes eave deep, during the Harrison Canyon floods in January and February of this year. Pictured above helping in the cleanup of a residence in the Hampshire Avenue area are some of the Cajon Volunteers. Cajon

students in the background are Kirk Dalke and Mark Yzaguirre (in shirts) with Leslie Rose looking at the mud-filled home. In the foreground are Jerry Sheble, Magda Yanez, Mike Khokhlov, and Brian Robin. Photo by Erika Peters.

Debbie,

It sure was fun knowing you this

Hi Debbie,

Whats up Sweetheart? Well we sure
did have alot of fun this year huh! We
are going to have another day like last time
with all the girls up your house watching
T.V. and everything else. To bad I didn't
like you last, we sure could of had
some radical times. hehehe. Well we will
make up for it this summer. I'll take
you to the beach this summer, cause I will
have my license and you will be an old lady

I'll just drive your car all over Kay.
maybe mom will let me go to Speedway
